ABOUT TO LEAVE the Sacramento Northern depot at 40th and Shafter, Oakland, for a trip along the former commuter-route of Central Contra Costa County and on to Pittsburg, then back to Oakland, are members of the Bay Area Electric Railroad Association and their friends. Car 1005 (former Sacramento Short Line Car 1005) was one of the two train cars of the Sunday trip.

BUT—WILL IT WORK? That seems to be the question in the mind of Harre DeMoro as he looks up at the workman atop the car. Neither rain nor mechanical problems deterred the Electric Railroad Association enthusiasts. The excursion trip went ahead as scheduled, to the delight of all participants.

ON THEIR WAY are the happy passengers, bound for scenice Redwood Canyon, Pinehurst, Moraga, Lafayette, Walnut Creek, Concord, Port Chicago and then Pittsburg. After a luncheon stopover in Pittsburg, the return trip followed. The portion of the line between Oakland and West Lafayette is to be abandoned soon.

ENJOYING THE TRIP tremendously are these three youthful passengers—left to right, Jeff Austin, 5; Chell Austn, 7, and Katie Austin, 11. Both this car and Car 1005 are now owned by the association.

ON BOARD the special excursion train of the Bay Area Electric Railroad Association, the travelers settle down for several hours of pleasure in which nostalgic memories are prominent. The Oakland-to-Pittsburg route is the longest continuous electric railway line in the state. —Sun photos by Mattson

ORINDA SUN

Vol. XIV, No. 45 — Lafayette — Orinda, California — Friday, January 18, 1957 — Ten Cents

Electric Passenger Train Goes on Nostalgic SN Run

What may have been Contra Costa County's last electric passenger train ran Sunday along the Sacramento Northern Railway, which extends from Oakland through Lafayette to Pittsburg—the longest electric railway in California today. The two-car special train left the Sacramento Northern Oakland depot at 40th and Shafter Avenue, Oakland, at 9:40 a.m.

Heading the train was Combination Motor Car 1005, the last of the Oakland Antioch cars and the sole remaining operating passenger car of the Sacramento Northern, which once furnished commuter service between San Francisco and Lafayette, Walnut Creek and Concord.

The other car on the train is the only open-end observation interurban trailer car in the United States today which recalls the observation cars of the Oakland Antioch, San Francisco - Sacramento Railroad and the Sacramento Northern — cars that once ran on such plush named trains as the Comet and Meteor, which sped through Lafayette without stopping.

THE OBSERVATION car on Sunday's train came from the Salt Lake and Utah Railroad, which once ran out of Salt Lake City south to Payson, Utah — a line that was built shortly after the Oakland Antioch and Eastern Railway built the present-day Sacramento Northern electric line between Oakland and Sacramento in 1912 and 1913.

Unlike the early days of the Oakland Antioch, many Lafayette residents drove their automobiles to 40th and Shafter just in order to ride the electric train.

There were 140 passengers aboard, many of whom had taken cameras along to record the trip.

A RAINY Saturday night and a cloudy Sunday sky threatened rain as the train began its trip up Oakland's Shafter Avenue. Shortly after the train posed for a picture stop just below Lake Temescal, a heavy rain descended.

Not until after the train had passed through the Redwood Canyon did the rain abate, and sun greeted the train as it paused briefly at the Lafayette station where it picked up some more passengers for its trip to Pittsburg.

Among the passengers on the train was George Hademan, retired Sacramento Northern road foreman of engines, who had been one of the first motormen on the electric trains of the Oakland Antioch.

ANOTHER PASSENGER of note was Gilbert H. Kneiss, assistant to the president - public relations - Western Pacific Railroad Company, who had been one of the first news butchers on the Oakland Antioch way back in 1913.

In theose days each train boasted a train salesmen and Kneiss' first run was noteable in that he was able to sell only three of the 15 ice cream cones he had on board. The surplus had been disposed of by himself and the motorman.

The building of the Oakland Antioch had done much to open the Moraga - Lafayette - Walnut Creek area to settlement.

SUNDAY'S TRAIN passed many subdivisions where once there had been open fields or orchards. Unlike the trains of yesterday, Sunday's train carried people just for the sake of the ride.

At every stop about half of the passengers got out with cameras in their hands to record the train's progress along the way.

Fortunately the sun shone on the train as it ran from Lafayette to Pittsburg and back, and the rain in Oakland held off until the train had safely discharged its passengers at 40th and Shafter.

CENTRAL CONTRA Costa residents aboard the train took to the automobiles again for a drive home through the Broadway Low-Level Tunnel — a contrast to yesteryears when Central Contra Costa people would have boarded the train to go home as visitors to their area left the train to return to their homes in San Francisco, Berkeley and Oakland.

The Sacramento Northern line is soon to be abandoned between Oakland and Lafayette, and Sunday's train may well have been the last chance to take in the electric railway trip that was noted for its scenery as well as for its length; until 1940 it offered the longest electric railway ride possible in the United States.

Millions to See Orinda Children On TV Sunday

Millions of Americans will watch several Orinda youngsters having fun with new-style toys during the 1½ hour "Wide, Wide World" television show Sunday over KRON-TV.

The show, sponsored by General Motors, will feature a survey of the Allwork Manufacturing Company of Oakland, owned by Orinda resident Don Sigerson, 40 Valley Drive.

On this "Riches of America" show, the title of Sunday's program, a "live" portion will be telecast from Sigerson's factory. The program will be from 4 to 5:30 p.m.

The Allwork Company was selected for the show because of its unique history and unusual products, according to a spokesman for KRON-TV.

Begun on a small scale manufacturing scooters, the factory was soon assigned to make minute auto parts for GM.

Although busy with other products, Sigerson retained his interest in toys and is currently manufacturing collapsible playhouses and unusual "Tumble Tubs," which allows the user to roll and sway over the floor or ground in safety.

These new items will be demonstrated on the TV program by the following local children:

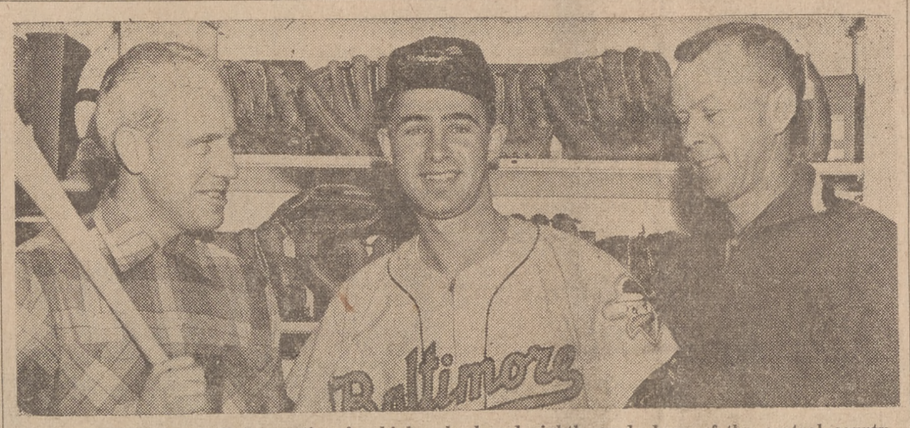
Richard Meurk, Richard Spaatz, Dirk and Shawna Miller, Saxson, Sage and Stacy Sigerson and Peter and Dana Miller.

Engines Taken

John Schroder of 40 Via Robles, Walnut Creek, told police that two gas engines were taken from a garage at 1500 Danville Highway probably on January 10. An undetermined quantity of hardwood has also been taken. The garage lock had been pried open.

Masons to Meet

The Saint Johns Lodge 725, F&AM will meet Tuesday night at 7:30 at the Masonic Lodge, 1604 Mt. Diablo Boulevard.



BIG LEAGUE baseball instruction for high school and eighth grade boys of the central county has been Mel Alamano's goal for years. The payoff came last week when he announced that baseball clinics in a few weeks will have stars like Don Ferrarese, center. Left is Gordon McNulty and right is Alamano, both of Sports and Games, Inc., Walnut Creek. The firm will sponsor the clinic with The Sun. Others lined up include Ferris Fain, Bill Rigney, Vince DiMaggio are among the bunch who will teach the boys. —Sun photo by Geri Fry

This is It! Big Leaguers To Teach Boys January 27!

High school and eighth grade boys in Walnut Creek and Pleasant Hill will get "Big League" baseball instruction on January 27 at Las Lomas High.

Mel Alamano has been working for years to line up some big names for The Sun — Sports and Games baseball clinics, and this year he has men like Don Ferrarese, Baltimore pitcher; Ferris Fain, former batting power in the majors; Bernie deViveriros, Detroit Tiger coach, and others.

They will teach the boys the "how it's done" starting at 12:30 p.m., January 27 — a Sunday afternoon. The sessions will last for two hours, and will include demonstrations at each position on the diamond. The boy indicates his position on the signup coupon below.

LAFAYETTE AND ORINDA fellows in high school and eighth grade will get the same treatment at the Acalanes High field on February 10. More on this later!

The clinics are sponsored by Sports and Games, Inc., of Walnut Creek, and The Sun. Mel Alamano is associated with the sporting goods store, and has helped youth athletics for many seasons.

This is the boy's chance to see, up close, some of the top men in the baseball world, and hear their comments and tips. No equipment is necessary, though baseball shoes, gloves and cap can be brought along.

Some of the other professionals who have told Mel they will be there are Ray Robb, Detroit scout; Bill Raimondi, former Oakland Oaks player and manager and now a scout for the Chicago Cubs, Damon, Hayes, ex-Oaks pitcher; Augie Galan, ex-manager and major leaguer, and Vince DiMaggio, brother of Joe, and one-time Pittsburg Pirate.

Bill Rigney, manager of the New York Giants, will talk about baseball to the assembled group at each clinic unless, as he told Mel, he is called back to New York. He has expressed a great desire to attend.

THE COACHES OF local high schools will be there. Also "Red" Gilham and all boys' league managers.

And boys not in the qualifying age groups are welcome to come to the fields and watch the proceedings. Mel has said that clinics for the younger boys will be held later on.

The training will include the fine points of fielding, batting, pitching, and the Bernie deViveriros method of sliding, which he drills into the Detroit Tigers.

To enter the clinic, clip the coupon below and mail it either to Sports and Games, 1604 Locust Street, Walnut Creek, or to The Sun, 1320 Locust Street, Walnut Creek, or any Sun office. Or they may be brought to either place. See you on the field.

Boys from any area may attend either clinic, but not both.

Man-of-the--Year Award Presented To Frank Isola

In a surprise highlight of Tuesday's meeting of the Orinda Mothers Club, Frank Isola was presented The Sun's Orinda Man of the Year award.

For his outstanding work as Orinda Recreation director, Isola was presented the honorary certificate by Herman Silverman, editor and publisher of The Sun.

THE MAN WHO initiated and is directing the Orinda Recreation Program was selected Man of the Year for 1956 by a committee of local citizens at the end of last year.

The unscheduled presentation came as a surprise to the members of the Mothers Club who met in the auditorium of the Pine Grove School.

Isola was attending the meeting as master of ceremonies for "Absurdia Junior," the annual faculty-student talent show.

THE AWARD, presented by Silverman at the end of the show, lauded Isola for his "Outstanding community service."

"I certainly appreciate the honor bestowed on me," the modest Man of the Year said, "but I think another certificate should have been given to my wife."

He then called on his wife, Dolores, who was in the audience, to stand up and take a bow.

CREDIT FROM Isola for his accomplishments was also given to the members of his recreation staff and to District Superintendent Joseph L. Sheaff.

He then had Sheaff, Jack Clark, Ted Boyce, Bill Hester, Dick King, Bill Klein, Keith Burnham and Glenn McNicholas stand up amidst applause.

During the show which preceded the presentation, each Orinda school offered 10 minutes of fast-paced entertainment by both faculty members and pupils.

Garden Clubs

Orchard Nursery will play host to representatives of the Federated Women's Garden Clubs of California from six Bay Area counties at a special gardening program next Thursday.

With the program beinning at 1:30 p.m., club members will see a special premier movie, "Wonderful World of Bulbs."

Ernest Wertheim, well-known landscape consultant, will speak on "Relandscaping Your Garden."

Voters Will Decide School Bonds Tuesday

Walk Home? or Evacuate? High Schools Lay Plans

Letters will soon be in the mail allowing parents of Las Lomas, Acalanes and Miramonte High Schools to state whether they want their children to be evacuated to a "safety reception area" on a "yellow alert" or sent home on their own.

Return - addressed post cards will enable the school administrators to separate the two groups of students, according to their parents' wishes in a raid or drill.

Neil Parsons, superintendent of the Acalanes High School District, said that "The plan will be put into effect if the school should receive the 'yellow altert' signal from CD headquarters."

ACCORDING TO the plan, on the sounding of the "yellow alert," students whose parents have requested that they be sent home will be dismissed from school to walk home or to such other destinations as the parents may have decided.

Students whose parents have requested their children be evacuated will be loaded into available transportation and sent over an evacuation route established by CD authorities to the Byron-Brentwood area, a "primary reception" area for District pupils.

Transportation will be made up of student and school employee cars on campus, by automobiles of volunteer parents and whatever school busses are available when an alert is sounded.

Under joint plans worked out between the Acalanes High School and Lafayette, Orinda and Walnut Creek Elementary Districts, busses, if any are available, will be reserved first for use of the elementary school children.

SCHOOL OFFICIALS point out that the CD one-way traffic pattern to evacuation areas only, will make it impossible to operate regular school bus transportation, impossible for most parents to attempt to come to school for their children, and impossible for student non-evacuees to drive their cars home.

Parents who volunteer to assist in the evacuation plan will be contacted and given specific instructions as to what they are to do.

High School District officials have asked that each parent read the return preference cars and complete them and mail them as soon as possible.

Several weeks ago high school parents were sent a questionnaire and letter asking their opinion on the evacuation of pupils in the event of a CD disaster alert.

Of those questionnaires returned, the majority of parents wished to have their children evacuated.

Agency Seeks One Volunteer

A volunteer, with some knowledge of personnel administration is urgently needed by an agency in Lafayette. The time requirement is one half day a week, and one meeting a month.

This is an interesting job for a volunteer experienced in dealing with personnel policies. For more information, call The Volunteer Bureau of the Walnut Creek Area, YE 4-0424, open Monday through Friday, 9 a.m. to noon.

The Bureau is located at 1640 Main Street, Walnut Creek.

Board Asks 'Yes' Vote, Explains Tax Proposal

Voters in the Orinda Union School District will cast their ballots next Tuesday to decide whether:

1. To approve the district board's proposal for a $950,000 bond issue.

2. To authorize the trustees to borrow up to $1,200,000 from the State School Building Fund.

3. To authorize the board to raise the elementary school tax limit from its present $1.75 to $2.75 per $100 assessed valuation.

POLLING PLACES will be at the Orinda and Glorietta Schools and will be open from 7 a.m. to 7 p.m.

A two-thirds affirmative vote is necessary for bond issue and state loan authorization to carry.

Endorsement of the $2,150,000 expansion program has come from the Orinda Chamber of Commerce, the Orinda Association Board of Directors, the Civic Affairs Committee of the Orinda Association, the Orinda Mothers Club, the Miramonte Parents Club, the Orinda Branch of the American Association of University Women and The Orinda Sun.

IN URGING a "Yes" vote, the trustees, in a statement this week, stressed:

"A 'Yes' vote will not raise the school tax rate to $2.75 next year."

The trustees' statement continued:

"There are a number of things which should be emphasized in connection with next Tuesday's election on the Orinda school tax rate.

"1. The enrollment is increasing rapidly and will continue to increase.

"2. School costs in dollars are rising rapidly as the buying power of the dollar declines.

"3. The amount of taxable property back of each child has been declining.

"ALL OF THESE trends add up to the necessity for more money for the schools.

"Therefore, a 'Yes' vote on the school tax proposal by every voter is a necessity, too.

"But it should be emphasized that a 'Yes' vote **will not result** in a tax rate for school purposes of $2.75 for the coming year.

"What is being voted on is an increase in the LEGAL TAX LIMIT for school purposes to $2.75.

"The board has a good record of prudent and economical expenditure of school district funds, but it has reached the conclusion that it needs more leeway in levying taxes than the present legal limit now gives.

"STUDIES MADE of the financial future of the district indicate that if the inflationary trend continues, and if the amount of taxable property back of each school child continues to go down, some years in the future a tax rate near the new limitation might be necessary.

Hoop Thrills Await Kids At St. Mary's on Feb. 1

The Gaels will really gallop and the Lions will really lunge, come the night of February 1. And it'll all be free for hundreds of area youngsters.

The reference, of course, is to The Sun's Father-and-Children Night at the St. Mary's College gym in Moraga — a community project sponsored by The Sun in cooperation with St. Mary's College.

With the coupon from this and future issues of The Sun, a dad (or a mother) can, by paying only $1 for his (or her) own admission, take as many children up to the age of 16 as desired to the fast-stepping athletic event that evening at the St. Mary's Gym — the basketball game between the Galloping Gaels of St. Mary's College and the Lions of Loyola University of Los Angeles.

THE GAME, a California Basketball Association contest, will start at 8 p.m. This bargain "outing" for families and groups will be an opportunity to see some top-flight collegiate basketball and, also, to enjoy other entertainment that has been arranged.

About 700 seats have been reserved for The Sun's Father-and-Children Night. They'll be occupied on a first-come, first-served basis. The youngsters, accompanied by an adult with a coupon from The Sun, will be admitted free — and the adult will pay only $1, instead of the usual $1.25.

The casaba action by the charges of St. Mary's Coach Jim Weaver and Loyola Coach Bill Donovan will be the highlight of the evening. But there'll be other events, too.

The 50-piece band of St. Mary's College High School, Berkeley, will perform before the 8 p.m. tipoff and during halftime.

AND DURING HALFTIME there will be an exhibition basketball game between the eighth grade varsity teams of the Pine Grove School of Orinda and the Parkmead School of Walnut Creek.

'Nuff said? Not quite. There's still this reminder to fathers (and mothers): Clip out the coupon, write in the number of youngsters you'll take along, and present the coupon at the box office the night of the event, before 8 p.m.

And because of the high caliber of the program and the limitation of the number of seats available, it'll be a good idea to get there early.

THE SUN'S FATHER-AND-CHILDREN NIGHT
FRIDAY, FEBRUARY 1 — 8 P.M.
ST. MARY'S COLLEGE GYMNASIUM, MORAGA

This coupon and $1 will admit one adult and ..... children (up to age 16) to the basketball game between St. Mary's College and Loyola University of Los Angeles at St. Mary's College gym.

(Present this coupon at St. Mary's gym box office the night of February 1. It will be honored as long as seats for The Sun's Father-and-Children Night are available.)

Jaycees Plan Big Year During National 'Week'

With two months of organizational work behind them, members of the new Orinda Junior Chamber of Commerce are looking forward to a full and successful 1957 as they celebrate National Jaycee Week this week.

In conjunction with the week set aside to honor the Jaycees throughout the country, the local group is in the midst of a membership drive that it hopes will help it realize its goals.

THE DRIVE will be climaxed at a dinner-meeting Tuesday, 7:45 p.m. at Willow Inn, to which local civic leaders and all interested young men are invited.

Having received its charter on November 10, after forming a separate organization from the old Lafayette-Orinda Junior Chamber, the Jaycees have set both short and long range goals.

According to President Jack Martin, the Jaycee club is dedicated to co-operation with community leaders in carrying out programs for:

"1. The continued betterment of our town.

"2. **THE SUPPORT** of youth activities which assure us that our children will be provided with the chance to grow into the role of responsible citizens.

"With a realistic viewpoint," Martin said, "we have undertaken these types of projects for the coming year."

The Jaycee president added that, "We feel that we afford the young man a wonderful opportunity for self-improvement through the media of leadership training and group fellowship.

"PERSONAL satisfaction plays a large role in the attainment of our goals," he concluded.

The new Jaycee chapter has sent letters of invitation to local organizations and business establishments for Tuesday's dinner-meeting.

Officers have announced generally that any young man in Orinda between 18 and 35 interested in community development will also be welcomed as a guest.

GUEST SPEAKER for the evening will be Dr. Wayne Chesbro, Civil Defense Medical and Health director for the 11 Bay Area counties.

His subject will be "Medical Aspects of Civil Defense."

Doyle Renamed to Text Body, Calls Hearings

Assemblyman Donald Doyle has been re-appointed head of the important Assembly Committee on Education, it was announced Wednesday in Sacramento.

Doyle also told The Sun yesterday that he will continue his textbook study and has scheduled the next hearing of the subcommittee on textbooks for February 7 and 8 in Sacramento.

Doyle also announced that the membership on his Education Committee remains the same.

Recent developments in the investigation of the textbook committee and Public Relations Counsel Thomas Mechling include:

1. **THE RELEASE** of a letter from Mehling to his textbook publisher accounts which states that he held the legislature pretty much under his control and was assured of the cooperation of Doyle, and even Governor Knight.

2. The assertion by Assembly Speaker Luther H. Lincoln that he has complete faith in Doyle and his textbook and education committee.

Mechling's letter, which was released this week by Assistant Attorney General Clarence Linn, explained the formation of the subcommittee on textbooks and stressed that the publishers could be assured of the full cooperation of Doyle.

It also stated that Doyle had "many conferences with Governor Knight asking him to openly condemn" the education department under Dr. Roy E. Simpson.

MECHLING ALSO said that he had "helped" Doyle's campaign with the idea of getting him elected in the primaries.

Doyle told The Sun yesterday that Mechling had contributed to his campaign in no manner whatsoever. "He certainly did not contribute to or promote my campaign," said Doyle.

"I asked him (Mechling) this week by phone what he meant by that," said Doyle, "and he said that he was just trying to explain to his accounts that he should keep good men in office."

Doyle also stated positively that he had never discussed the textbook situation with Governor Knight, as stated in Mechling's letter.

"I HAD NEVER discussed the textbook situation with the Governor, Attorney General or the Legislature. There was no deal or understanding that the committee was going to do anything except investigate the situation," Doyle said.

Meanwhile, Lincoln stated, "The Textbook issue has been an increasing source of criticism of the State Department of Education since I entered the legislature in 1949. Other legislators who have dared to question this archaic practice have been the victims of embarrassment, vilification and attack.

"Literally nundreds or interested citizens and educators have privately contacted me in recent weeks to assure me of their complete confidence in chairman Donald Doyle

Teenagers Rock 'n' Roll During 'Cool' Icicle Hop

Saturday night's "Icicle Hop" may have been a cool affair, but the atmosphere in the auditorium of the Pine Grove School was anything but frigid.

Some 150 local high school teenagers rocked, rolled, fox-trotted and mamboed till midnight at the first organized social activity of the newly-formed Orinda Teenage Club.

CLUB MEMBERS, under Chairman Gary Lucas, had the auditorium decked out in Christmas trees and tinsel to complete the winter decor of the dance.

After the first few dances, a combo comprising members of the club took the spotlight with a Dixieland jam session.

Fully in the swing were Mario Guarneri on trumpet, Bob Newman on trombone, Doug Moorehead tickling the ivories, Jeff Neighbor on bass and Volney Howard beating out the rhythm on the drums.

ONE OF THE highlights of the evening was the big Bop Contest, during which Carol Griffith and Dennis Lee outshone the other dancers.

Proceeds of the dance will go toward financing a club ski trip in February. Final arrangements for the trip will be made next Thursday as the club meets at 8 p.m. at Pine Grove.

Meeting with Recreation Director Frank Isola, the members will elect their first permanent officers.

CLAIMING THAT the dance was "beyond all expectations," Isola invites all Orinda teenagers to join the club and participate in the many activities planned for the future.

The meeting will be followed by an hour of volleyball, basketball and other recreational activities.

According to Isola, a special club for Pine Grove 8th graders will be started "probably the first week in February."

With the recreation program for youths fully launched, Orinda adults have also been "having a ball" in their own program.

NEXT MONDAY, after several practice sessions, a men's volleyball team will travel to Miramonte High School to answer a challenge to a game by the men's group there.

"There's room on the team for all men who want to play," Isola said, "so we'll welcome all players." Game time is 8 p.m.

Some 38 locals enjoyed still another type of recreational activity Monday night. No more staid than their teenage counterparts, these folk whirled and twirled in a folk dance session.

WITH JACK CLARK calling the turns, this was the largest turnout to date for the dancing class.

The squares will be formed from 8 to 10 p.m.

Association Names Estes President

W. E. (Gene) Estes of 33 Van Ripper Lane was elected Monday night as the 1957 president of the Orinda Association.

The 33-year-old project engineer for the Standard Oil Company of California was chosen by the new board of the association at its first meeting, which was held in the Orinda School auditorium.

Estes is a member of the Sleepy Hollow Improvement Association. He is chairman of the Construction Division, San Francisco Section of the American Society of Civil Engineers.

He and his wife, June, have a 6-year-old son, Steven.

During the past year Estes has been association vice-president.

FRED TWINING of 58 Hacienda Circle was elected vice-president.

Twining, 38, is a management consultant. He is chairman of the Board of Trustees of the Orinda Community Church.

He is one of the newly elected directors of the Orinda Association.

THE TWO OTHER officers were relected—Claire Ward, secretary, and Marvin Baker, treasurer.

Twining, Norman Cunningham, Dorothy Adie and Arthur Flint were seated as new directors for two-year terms.

They replaced outgoing Directors Mel Arighi, Caroline Harrison, Paul Pollaczek and Frederic Sawyer. However, Arighi, as immediate past president, will be a director-at-large during the coming year.

Holdover directors, whose terms continue to the end of 1957, are Estes, Mrs. Ward, Baker, Bob Walpole and Holland DuBois.

Present at Monday night's meeting were all the new holdover and outgoing directors, including Bob Boyle, who was 1956 director-at-large and 1955 president.

Chamber Goals, Practices Told by Director Allen

"We must be ever alert to what is going on in the community and help whenever we can," Director Stanley Allen told the Orinda Chamber of Commerce at a meeting Wednesday at Casa Orinda.

Allen, discussing "The Chamber of Commerce and its Place in the Community," was introduced by Program Chairman Ken Courtright.

THE DIRECTOR, asking "What is a local Chamber of Commerce?" spoke on the chamber's aims, responsibilities and practices.

Allen compared the local organization and chambers of larger areas. He stated the Orinda group's intentions are not to promote outstanding advantages of the community to lure new residents and businesses, but to promote interest and a better understanding of chamber objectives within the community.

"We are local business people banded together to do a better job in the community," he explained. "We have even more community interest because we have our businesses and homes here."

ALTHOUGH the chamber must be alerted to what is happening locally, Allen said "We must, of course, not try to run the community."

Stressing that the chamber should work closely with the Orinda Association and other local organizations, the director suggested the group appoint a liaison man between the chamber and the Orinda Association.

This man, Allen proposed, should attend association board meetings, but should "speak as an individual, and not for the Chamber of Commerce."

A PLEA for objective discussions of community problems was also discussed by Allen. Groups should learn to discuss issues on the basis of evidence, he said.

"The happiness and effectiveness of the community lies in the ability of arriving at common conclusion. Someone has to give in," he stated.

Solution of the parking problem in Orinda was considered by Allen to be the "number one project of the year" for the chamber.

"IF WE ARE to grow in years ahead, we must solve this parking problem," he said.

Formation of a more effective Merchants Committee was also sugested by Allen. The committee, he said, would consider such problems as taxes, credit, bad checks, shoplifting, litter, incoming freight rates, solictations, Christmas decorations and merchandise promotions.

With President Merle Brown presiding at the meeting, Horace Breed, chairman of the Orinda Parking Authority, told the chamber membership that no bond issue for parking improvemnt funds is contemplated for the near future.

BREED REVEALED the authority currently has about $300 available annually.

He added, however, that as local assessed valuations increase, more funds will be made available. The present allocation of $300 must be used within the year, he said.

A bond issue would be needed for big expenditures, the chairmain stated, but the Parking Authority is not considering any at present.

How Can I Tell? Asks the Man

There's just no tellin', a disgruntled weatherman demurred as he raised his head above the barrage of protests from local residents this week.

Just when he had settled back for nice, long winter drought, what happens? The rain comes pouring down in buckets, that's what happens!

Some 2.35 inches of moisture fell to break the impasse this weather-week. Locals scrambled for umbrellas and shelter, but cooler heads noticed how fresh the air seemed after the clouds rolled by late in the week.

Here's the record for the week:

Local Coffee Parties Held To Aid March of Dimes

Coffee parties for polio inaugurated by Mrs. Goodwin J. Knight are binig held in all sections of Contra Costa County to spread vitally important information about the use of the Salk vaccine, and to help raise funds for the current March of Dimes.

The seven polio workers who were invited to Mrs. Knight's "coffee" in Sacramento last week have arleady held coffee parties of their own, or are planning such events within the next two weeks.

They are Mrs. Don Blackwood of Lafayette, chairman of Contra Costa County's "Coffee" committee; Mrs. C. Edgett, Richmond; Mrs. M. L. Lipton, Antioch; Mrs. Jack V. Shahbazian, Walnut Creek; Mrs. Robert Dal Porto, Bethel Island; Mrs. Wakefield Taylor, Martinez; and Mrs. Teresa Banducci, El Sobrante.

Guests invited to coffees held by these local polio workers will be asked, in their turn, to hold coffee parties in their neighborhoods. Latest information on development and use of the Salk vaccine wil be given to all guests at the coffees, and collections will be mde for the area's polio drive.

County chairman John Sheridan announced today that returns from March of Dimes envelopes mailed to Contra Costa County residents have totalled $8,000 so far, which is just about $1,000 ahead of last year's returns at this time.

"It's encouraging to find mailed returns ahead of last year," Sheridan said. However, we need many more contributions to carry on the work being done in this county by the National Foundation for Infantile Paralysis. If we receive just 50 cents for each county resident we will have enough to guarantee that no man, woman or child will be denied a chance to walk, work, or play again after being stricken by polio."

New GOP Board To Be Elected At Dance in WC

Election of the 1957 Contra Costa Young Republican Board will be held tomorrow night at the 4th Annual Dance sponsored by this group, according to Hal Bates, retiring president.

Only paid-up members are eligible to vote, and any interested person will be able to pay his dues that night. Tickets will be available at the door of the Elks Hall in Walnut Creek.

"We know that everyone will thoroughly enjoy our 'Snow Ball', and we cordially invite all interested YR's to attend," Bates said.

"Many groups are getting together for pot luck suppers preceding the dance, so we strongly urge all our friends to come and join the fun."

Tickets are $3 per couple and are available from the following chairmen:

Joe Zablocki, DR 6-5009; Howard Stafford, AT 3-2240; Mac Osborne, VE 7-4140; Jack Gillan, YE 5-5825; Bob Graham, MU 5-0278; Bill Palmer, VE 5-5293; Harry Stitt, PL 7-0453; and Dave Tieck, BE 2-2682.

Small School Districts Have Lightest Tax Load

Formula for low taxes: don't follow the crowds.

Contra Costa County's lowest school tax rates, all below 70 cents, occur in three elementary districts with a combined enrollment of less than 70 children.

Each of the sparsely populated areas of Briones Valley, Selby and Lone Tree Districts has sufficiently high assessed valuation per child to support their schools with a low tax rate.

FOR INSTANCE, commented County Superintendent B. O. Wilson, for each of Briones Valley's five pupils there is $131,652 in assessed valuation, at Selby $126,431 per each of the 27 children, and in Lone Tree District, near Brentwood, $33,740 per each of the 33 children.

"Contrast this with the county's lowest assessed valuation per pupil at San Pablo, where only $4103 of taxable wealth is available per each of the 5000 children. School population has increased faster than assessed valuation in all but a few areas where concentrated industrial development has occurred.

The more children, the lower the per capita of taxable wealth and the higher the tax rate.

"A 70-cent tax rate would raise $921 per child in Briones Valley but only $28 in San Pablo. The cost of public education per elementary child in Contra Costa County now runs about $300, which theoretically is borne equally by the state and the local district.

"EVEN TO approximate its share of school support, a district with low assessed valuation must raise its tax rate."

The impact of population increase during World War II is written, Wilson added, in the average assessed valution per child in Contra Costa County. From $11,025 per elementary child in 1940, it fell to $6425 two years later and remained low until 1955 when it returned to $10,533 as a result of a mandatory 35 per cent increase in the county's asssessed avluation but this year dropped back to $9952.

Among the 24 elementary districts, 11 have assessed valuation below the $10,000 mark, with tax rates running from $1.94 and up.

WILSON SAID the situation in the high school districts is different in degree rather than kind, since the impact of increased birth rate was later in arriving at the upper grades.

In the past seven years the total taxable wealth in the six high school districts has increased more than $192,000,000, but the average assesed valuation per student has increased from $24,500 to $21,000 since in the interval the enrollment climbed from 12,000 to 18,600.

INSTALLATION of new officers of the Contra Costa Real Estate Board was held recently at the El Nido. Left to right are Frank Ricks, CREA vice president, Jesse (Nick) Carter, new president, and Barney Gilbert, retiring president.

Heart Drive Needs Corps Of Helpers

Plans were completed today for recruiting a task force of volunteers to knock at every door in Contra Costa County in a mass house-to-house collection for the 1957 Heart Fund on Sunday, February 24.

William S. Palmer, Heart Fund general chairman, announced after the final meeting of the Contra Costa County Heart Association that 4000 volunteers will be required to carry out the task.

Volunteers for the Heart Sunday army may enroll at Heart Fund Headquarters, 2363 Mt. Diablo Boulevard, Walnut Creek.

HEART SUNDAY marks a peak of the month-long 1957 Heart Fund drive. It will be conducted this year in 5000 communities throughout the nation.

In Contra Costa County, the door-to-door collection will be conducted from 1 to 3 p.m. on Heart Sunday with 430 captains directing the activities of some 4000 collectors.

Each volunteers will call at 15 to 25 homes, mostly those of his immediate neighbors, Palmer explained. The volunteers will collect at each home a contribution to be sealed in a small manila envelope.

EACH VOLUNTEER will wear an authoribed identification tag and will carry a supply of gift envelopes. Contributors need not indicate the amount of their gifts unless they desire receipt for income tax purposes, Palmer said.

"Our volunteer army, as last year, may be made up of citizens of Contra Costa County who want to serve the Heart Fund by contributing their time one one Sunday afternoon," Palmer explained.

"We expect that a large portion of this Heart Sunday army will enlist for service by registering at the 1957 Heart Fund headquarters, or by phoning YE 5-1060. Their ranks will be filled out by a telephone recruitment program which will begin Monday, he added.

WEARINESS

Two enemies of safe driving are weariness and worry. Weariness slows down reaction time and worry affects concentration. You can't always stop worryink when you get behind the wheel of your car, but you can take a rest if you're weary. Give yourself a break, don't drive when you're tired

Penney's Offers Design Service In Your Home

J. C. Penney Company, Inc., located in the Broadway Shopping Center, has instituted a new service for the many homeowners in the Central Contra Costa area.

Now participating in their drapery department activities, is Miss Lee Smith, a graduate of the College of Arts and Crafts with a degree in interior design.

ACCORDING TO Clint Newell, manager, you can call Penney's and Miss Smith will come to your

home with a wide selection of this season's newest fabrics.

"You will be able to choose just what you want right in your own home, where you can see how the fabrics actually look," said Newell.

"Miss Smith will talk over your problems, preferences and ideas with you, but the best feature of the service is that it costs you nothing and puts you under no obligation," he added.

THE NEW SERVICE will include custom made draperies, upholstery, slipcovers and bedspreads.

Miss Smith has four years experience in the decorating and design field, including positions in Florida, Los Angeles and the Bay Area.

Frank Curtis Is Honored By Realtors

Frank Curtis of Orinda has been named "Salesman of the Year" by the Contra Costa Real Estate Board.

The veteran of six years on the local realty scene was honored at a "Mart" breakfast last week.

He was given a plaque by Real Estate Board President Nick Carter and immediate past president Barney Gilbert.

INSTITUTED this year, the award will be made annually on the basis of "outstanding service to the board and to fellow salesmen."

During the past year Curtis was program chairman. He planned the golf tournament, the Christmas Party, the 10th anniversary celebration and the annual barbecue.

This year he is a salesman member of the board of directors.

Associated with Ed Wallace Realty at the Orinda Crossroads, he was born and raised in Indiana. He was a Hoosier school master for two years.

HE JOINED the Army in 1917, becoming an Infantry captain and instructor in the Eighth Regiment of the Eighth Diviison.

He and his wife Minna live at 89 Moraga Highway.

They have a daughter, Mrs. Shirley Swartzbaugh, living in Tennessee, and boast of four grandchildren.

Fare Hike Won't Affect Commute

Even if the request by Pacific Greyhound and five other bus lines for a 15 per cent fare increase is granted, local commuter bus fares will remain the same.

The bus companies, claiming that passenger travel on their vehicles is declining between California points, is asking the Public Utilities Commission for the fare boost.

Ralph, Tony, Owen Salon Is Open; It's Distinctive!

Grand opening of the distinctive Ralph, Tony and Owen Beauty Salon on Petticoat Lane, Walnut Creek, was held Saturday from 3 p.m. to 7 p.m.

Already there have been many comments on the sophisticated wormwood-style walls and ceiling, and the warm out-of-door feeling given by glass paneling.

REFRESHMENTS were served at the grand opening.

Owen told The Sun this week that many of the ladies have brought their husbands for a tour of the salon and the entire Petticoat Lane, still in construction.

The salon is the first to open in Petticoat Lane.

The area is just south of Botelho and west of Main Street. Many ladies specialty shops will eventually be spaced about an ample parking lot there.

Two other shops opened last week and a third will open in a month or two.

OWEN explained to The Sun this week that they are justly proud of the all-new salon, which has some 2600 square feet, more than twice the space they had at their former location on Saranap Boulevard.

"We have had compliments on the interior. The glass paneling allows much more natural light for hair dressing," he commented.

"Customers will be able to see through their mirrors and the glass paneling the outside landscaping. That has been one of our main purposes," Owen added.

THERE ARE 17 hairdressing chairs in the new Ralph, Tony and Owen salon, and 17 driers, in a separate, sunny section, farthest from the reception room.

The reception room is brightly furnished. Behind the desk is Myrle, who has been with the group for five years.

A staff of 14 hairdressers and two assistants are waiting to greet friends and newcomers.

A special feature will be a display of the oils and watercolors of San Francisco's Frank Ashley.

THE YOUNG impressionist has gained widespread recognition. He is a product of New York schools.

The salon will be open week days and week nights, 9 a.m. to 9 p.m.

It will also be open Saturdays from 9 to 5.

John Enslow, developer of Petticoat Lane, said that when construction under the Little Master Plan is complete, the area will front on the main traffic arteries.

The buildings are of the adobe type, and all walks, looking to a landscaped and wooded area, will be covered with wormwood and plastic. Contractor is Fred von Guenthner of Orinda, and the architect is Leonard Ford of Walnut Creek.

Baldwin Says Thanks for Voter Support

John Baldwin, Sixth District congressman, said in his first newsletter of 1957 that he appreciated the support given him by voters in the November 6 election.

His margin of victory was six times that of the last election, two years ago. The margin was 13,718 this time, compared to 2,500 in 1954.

Baldwin said he delivered 117 speeches during the fall, while he and his family were in California.

On his return to Washington, D. C. by car, he encountered a snowstorm in northeastern Tennessee and southwestern Virginia.

He said that his Contra Costa County office will be in Richmond at 47 Tenth Street, BEacon 3-6343.

Jack Marchant is his personal representative administrative assistant, and Mrs. Peggy Doyle is secretary.

Baldwin took the oath as congressman for the 85th session the morning of January 3.

Suburbia Scribblings

By MARIE MONAHAN

All we want are the facts, Mom!

Are you often confronted with queries from your youngsters, only to find that the answers you give them wouldn't win you a first round on "Information Please?"

For one who practices accuracy and has quite a memory for telephone numbers, names and trivia, we are, in our own household, referred to as the "Bureau of Misinformation."

When it comes to replying with the RIGHT answer to something geographical or historical, we seem to have ALL the answers. All the WRONG ones! Someplace along the line we certainly got everything terribly mixed up!

AFTER TOO MANY BAD ATTEMPTS trying to answer things about Napoleon, the Civil War, the Asiatic Continent, the Arapahoe Indians, we have decided to keep MUM rather than hinder the children's chances for a higher education. NOW when the questions come flying across the dinner-table, we busily butter our bread while the insatiable little minds look to Father for the right answer. Unlike us, the Head of our Household got HIS history STRAIGHT!

Back in the saddle again

THE HORSEY SET . . . One Orinda lady, with time on her hands, decided to try horseback riding again after many years away from the sport. We ran into her, not-so-fresh from a lesson and right out of the saddle, and her classic comment was, "How can something that eats so much HAY feel so DARNED HARD!"

"Sally" is the name of Debbie Sergeant's new horse, a Christmas present from her parents, Bill and Pat Sergeant of Shangri-La Ranch out Bear Creek way . . . A gift box being hard to find, "Sally" made her holiday appearance bedecked in a BIG red bow!

A LITTLE DIRT MADE ITS way across country to Orinda during December-month, a mystified mailman delivering a dripping package to the James Hupp home and wondering at the soggy contents therein. Well, Suh, it seems that Mrs. Hupp (Lucy), while vacationing in the Kentucky country w/her kith and kin, got to hankering for a bit of Blue Grass sod in her own backyard and had a spadeful of the terra-notsofirma sent home, together w/a few rose cuttings from her grandmother's garden. What price sentiment? The postage fee was $8!

Lucy also discovered that one of her ancestors was responsible for the invention of the game of horseshoes, which probably accounts, in part, for her daughter's love of horses!

When we talked "turkey" a few colums back and mentioned Jackson's Party Service, we intended adding that James D. Jackson, owner (as well as co-owner of HUDDLE INN) lives here on Acacia Drive with his wife Eleanor and three daughters, Pat, Sherry and Kathleen.

And how do you take your coffee?

Several readers have asked us about "PANCAKES OSCAR," so from the next-to-original source (the original being the Fairmont's chef) try this — pile thin pancakes, crepes-suzette size on top of one another, VERY HIGH, lathering melted butter in between. Over the top, pour marshmallow goo melted w/fresh or frozen strawberries, cut in cake wedges, serve w/ham and bring on the coffee!

OR IF YOU PREFER YOUR COFFEE with a little culture Invitations have been mailed to sponsors of the Orinda Art Center and an invite is extended to anyone interested in knowing more about the gratifying undertakings of this group, all of which will be explained at a morning coffee on Friday, Feb. 1 at the Seven Oaks Circle home of member Helen Harrer.

Key professional teachers of the Art Center will explain the courses offered w/special emphasis on the creative drama course open to the fourth through eighth grade children . . . On hand will be Burdette Fitzgerald, head of drama at S.F. State, Elton Davies, director of teacher-education at Calif. School of Arts and Crafts, and Linda Hickox, well-known Art Center dance instructor. Assisting Helen Harrer as hostesses at the coffee will be members Helene Robinson, Elsie Keresey, Kay Radcliffe and Jackie Archer. Circle the date now!

BUSINESS & PLEASURE DEPT. . . . Leaving many good friends behind when they move soon to Sacramento are Luther and Helen Gulick, who've both been active in community work as well as the Community Church . . . The popular couple were "at home" last Sunday on Park Lane Drive to greet a score of old friends whose goodbyes they might otherwise have missed in the process of packing that will follow soon.

Since Jan. 2, Gulick, an attorney, has been w/the State Water Rights Board in the capital city and Helen and the three boys expect to join him shortly in a new home.

More Maryjane customers for Papa Baer

Al Baer, the Village Shoe Store man, now has TWO non-paying customers he'll have to keep in shiny maryjones for a long time to come . . . The couple's second daughter, Denise, curtseying in, quite barefooted, on Monady, January 7th!

When Laurie Kersten was honored at a Shower-Luncheon last Wednesday, she did an apprehensive double-take on the decorations, which were tiny tissue-paper baby clothes, all in TRIPLICATE form, hanging by gilded doll-size clothespins from a gold clothesline. Laurie, expecting in March, is already the mother of FIVE!

Volney Howard has been elected a vice-president of Industrial Indemnity and will continue in the capacity of manager of the S.F. Division . . . Howard lives on La Cuesta w/his wife Rose and three sons, Volney, Roger and Alanson.

IT'S A SUNDAY SAILING for the Nels Hambergs and the Dan Carters aboard the Lurline, the foursome to spend a holiday in Hawaii together. The Carters, by the way, celebrated their 20th wedding anniversary early this month, as did the Bill Thurstons . . . The Wallace Greenlaws and the Jim Reads were among recent souvenir-shoppers in Mexico . . . The R. E. Hopkins family spent the first weekend of the New Year at their Monterey hideout, their daughter Judy having as her guest Sylvia Howes, daughter of the Ted Howes, who turned out to be the TRIPOLI champ!

HELP WANTED! Calling all Oakland High Classmates who graduated June of 1940! Your local committee people would appreciate some clues or aid in locating people for the BIG REUNION planned for May 4, location to be announced later. If you plan to attend or can help in tracking down some of the old gang, please call Ann (Sherwood) Copenhagen at CL 4-5107, or Nancy (Taylor) Dupuis at CL 4-3520.

The new name of the Junior Orioles for the Mt. Diablo Therapy Center is the "DOVES!"

Teenagers Come to Fore In Anti-Polio Fund Drive

Orinda teenage groups are coming to the foreground, proving they can help the March of Dimes.

One group of boys, the Knights, spent last Saturday selling Blue Crutches.

Even the weather did not stop them and they finished the day with many coin containers filled.

Mr. and Mrs. Dan Lucas, Orinda area co-chairmen of the March of Dimes, invited the boys for dinner that evening. Afterward they counted the money, which totaled $258.76.

ANOTHER GROUP of teenagers will participate at the Moraga-Canyon basketball game at Miramonte High School next Friday evening, selling Blue Crutches.

The past several years Orinda has had a Fathers' March on Polio instead of a Mothers' March, due to the hilly terrain and the dark areas to cover throughout Orinda.

Boyd Edelin and Joseph Pardini will be co-chairmen fro this year's Father's March, to be held the night of January 31.

"MANY OF the fathers working this year have had polio in their families—one of our most recent cases is Joseph Pardini, who had it last August," Lucas said.

"Be sure and have your family get polio shots," Pardini stressed.

CAPTAINS of the various areas for the Fathers' March are:

Northwest of the Crossroads—Al Baer, Harold M. Sage.

Northeast of Crossroads—Stanley Hunn, L. D. MacGregor.

Sleepy Hollow district—Joseph Nicolet, Dan Texdahl.

Orinda Estates district — Ed Kruse.

Southeast of Crossroads—Leland Atkin, Don DeWitt, Paul Pollaczek, Ross Van Dyke.

Southwest of Crossroads—Clarence Betz, R. A. Sodestrom, G. W. Mulks, Everett Tranberg.

Oak Springs — Mrs. Douglas Adie.

Moraga and Canyon—Al Baitx.

Publicity—Mrs. H. M. Sage.

On the night of the Fathers' March, everyone is invited to the Orinda School "to watch the totals mount up on the blackboards," Mrs. Lucas states.

The Santa Maria Women's Club will serve hot coffee and homemade cake to those coming in to watch.

Library Fund To Get Flag From DAR

One of the first material properties of the proposed new Orinda Library, an American flag, will be presented tomorrow to the Orinda Library Building Fund.

The flag will be presented for the John Rutledge Chapter of the Daughters of the American Revolution, Berkeley, by its regent, Mrs. William C. Braly, an Orinda resident.

Significantly, the presentation will take place on the prospective site of the new library, a lot at Orinda Highway and Irwin Way.

Receiving the flag for the Building Fund will be George Hauerken, chairman of the Building Committee.

Another gesture of aid for the proposed library was made this week by the Orinda Junior Chamber of Commerce. The Jaycees have appointed a special committee to work on behalf of the Building Fund.

The committee's function will be to help other organizations carry out special functions to aid the fund during the next few months.

William M. Fleager will serve as coordinator between the building Fund and the Jaycees.

RAINY WEATHER DANGEROUS

A wet, rainy night is the most dangerous time there is for pedestrians. If you're walking, look out for vehicles and don't assume that the driver can see you. If you're driving, make sure your windshield wipers are working properly and keep a sharp lookout for persons afoot.

New Lafayette Dial Building To Be Erected

Telephone customers in Lafayette will be able to dial their own long distance calls to many parts of the nation by the end of 1958, Pacific Telephone Manager Howard Greenhalgh announced yesterday as he disclosed that the company has bought land in Lafayette for the site of a new dial telephone building.

The new building will be constructed on Mt. Diablo Boulevard between Happy Valley and Thomson Roads, he said.

Greenhalgh said the start of construction is still tentative. But he added that, according to present telephone company plans, the building should be ready for service by the end of next year. He estimated the cost of the project "in the neighorhood of $1 million."

"LAFAYETTE thus will be added to the growing list of communities in Contra Costa County that will have nationwide direct distance dialing," Greenhalgh said.

"It is already available in Walnut Creek, Concord and Antioch, and will become available in Orinda late next year."

The new Lafayette building is designed both for nationwide dialing and to meet the future telephone growth here which has been proceeding "at a record clip" since the end of World War II, the phone company manager stated.

He pointed out that the present local dial equipment building on Oakland Street will remain in service until the new structure is completed.

"NATIONWIDE dialing is made possible by the magic of electronics and a special nationwide numbering plan," Greenhalgh said.

He stated that dialing instructions will be given to telephone customers as the direct distance dialing project nears completion.

$50,000 Asked For Boy's Drink Of Lighter Fluid

A two-year-old child's drink of charcoal lighter fluid caused his father to file a $50,000 damage suit against their neighbors Wednesday in Superior Court.

John R. Wieser, of 12 Ridge Lane, Orinda, is accusing John and Constance Miller, 33 Normandy Lane, of carelessly allowing the fluid to sit unguarded on their front lawn.

His son, Brad, found the can and drank some of the contents, Rieser asserts.

Rieser said his son first became violently ill after drinking some of the lighter fluid, and then was stricken internally with perforated intestines.

Go to Church Sunday

Episcopal

Services of Holy Communion at 8 a.m. and Morning Prayer at 9:15 and 11 a.m. will be held on Sunday at St. Stephen's Episcopal Church, 12 Via Las Cruces, Orinda.

The Litany will be said at both Morning Prayer services, and the sermon will be delivered by the Rev. Albert Lucas, vicar.

Church School will meet in the undercroft during the 9:15 Family service and the junior choir will assist the congregation with the musical portions of the service.

The senior choir will sing at the 11 o'clock service. Nursery care for pre-school children is available in the basement of the vicarage during this service.

At 7 p.m. the Young Peoples' Fellowship will meet at Christ Episcopal Church in Alameda, with the Young People's Fellowship of that church.

A choral evensong service will be held at 7:30 p.m., with a concert by Maurice John Forshaw following at 8.

On Wednesday, there will be a celebration of Holy Communion at 10 a.m.

Community

Worship services at the Lafayette Community Methodist Church will be held at 9:30 and 11 a.m. Sunday, at which times the Rev. Chester R. Lewis will deliver the sermon, "Ask and You Shall Receive."

A pot-luck dinner in the Social Hall will follow the 11 o'clock service to honor Mr. and Mrs. George Deighton and son Glen, the Dutch-Indonesian family the church is sponsoring in Lafayette.

Church members are asked to bring salads, desserts or other snacks to the gathering.

The Jr. Hi and Hi School Methodist Youth Fellowship groups will meet at 7 p.m. in the Church rooms.

Wednesday the Couplers Club will meet in the church at 8 p.m. for its annual election and installation of officers.

The Women's Society of Christion Service will hold its general meeting at 12:30 p.m. Thursday. American Field Service students will speak.

Presbyterian

The Rev. W. Carl Thomas, pastor of the Lafayette-Orinda Presbyterian Church, will speak on the subject, "Israel and the Middle East Conflict" Sunday.

Duplicate services will be held at the Park Theater at 9:30 and 11 a.m.

Church school classes will meet at 9:30 and 11 a.m. at the Lafayette Town Hall and Legion Hall.

The "Bird Watchers" — a missionary interest group around Jack and Phyllis Bird in Beirut — will have a potluck dinner tonight at the Weston home, 117 Overhill Road, Orinda. Anyone interested may call CL 4-3031 for a good assignment.

The Water Missionary Interest Group will also meet tonight for a potluck dinner at the Moog home, 51 Crest view Drive, Orinda. Call CL 4-3886 for a food assignment.

Episcopal

At St. Paul's Church, Walnut Creek, on the Second Sunday after Epiphany, Holy Communion will be celebrated at 8 and 9 a.m., followed by Morning Prayer at 11 a.m. and Evening Prayer and Meditation at 5 p.m. At the 9 and 11 o'clock services the Rector will preach on "Our Different Gifts."

Regular week-day services of Holy Communion are celebrated on Tuesday at 6:30 a.m. and Thursday at 11.

Members of the parish will observe Friday, January 25, the Feast of the Conversion of St. Paul, by attending services of Holy Communion at 11 a.m. and Choral Evensong at 8 p.m. This is also the 69th anniversary of the founding of the parish.

Spring Confirmation classes are now under way, with the children meeting Saturday morning from 9 to 10 under the direction of Mr. Garret Conklin, seminarian, and the adults meeting Tuesday night at 8 p.m. with the Rector as their instructor.

Any individuals desiring to learn more about the faith and worship of the Episcopal Church, whether or not they have been Confirmed or have any intention of becoming Confirmed, are cordially invited to attend.

Congregational

"A Lost Art" will be Rev. Chauncey Blossom's sermon topic at the 9:30 and 11 o'clock services Sunday morning at the Orinda Community Congregational Church.

The Chancel Choir will sing "The Heavens Are Declaring" by Beethoven.

Church School for three-year-olds through high school age will be held at 9:30; through the 8th grade at the 11 o'clock hour. Nursery care is available at the second service only.

Eugene Jones, Special Agent, FBI, will be the speaker at the Junior Pilgrim Fellowship meeting at 4 p.m. in Fellowship Hall.

Senior Pilgrim Fellowship members will see movies of the last Olympic Games at 6:45 p.m. High School Choir will rehearse at 6 p.m.

The Council will meet Wednesday, 8 p.m., in the Livingstone Room.

Lutheran

"Religiosity vs. Christianity" will be the theme of the Rev. Merle O. Tollefson of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a.m. service.

The Sunday School meets at 9:30 a.m. with clases for pre-school through Adult Bible class, and at 11 a.m. for pre-school through grade three.

The mid-week Bible study will meet at the home of Mr. and Mrs. James Dubail, 2902 Vessing Road, Walnut Creek, Wednesday evening at 8 p.m.

Thursday at 10 a.m. the Women's Study Group will meet at the church. At 7 p.m. the Junior Choir and the Junior Confirmation Class will meet. The Senior Choir will meet at 8 p.m.

Next Friday evening at 8 p.m., the Adult Inquiry Class will meet.

Baptist

A missionary emphasis will be placed on the 11 a.m. Worship Service Sunday at the First Baptist Church of Lafayette. Guest speaker will be a missionary who has just returned from field work in Japan.

The church meets at Dick Mthis' stationery store, 969 Moraga Road.

Sunday School classes for all ages will be held at 10 a.m.

The church's evening "Fellowship Hour" will begin at 7 o'clock Sunday.

Nursery service will be provided for all services.

First Head of Soroptimists Tells of Trip

At their regular luncheon meeting at El Nido Tuesday, members of the Soroptimist International of Lafayette-Orinda were addressed by Violet Richardson Ward, who was the first president of the first Soroptimist club that was ever formed—the Oakland Soroptimist organization.

Mrs. Ward was introduced by her niece, Esther Marchant, who has been the first president of the local unit since it was chartered last April.

The speaker told of her recent trip to Europe, during which she visited Soroptimist clubs there. She said she was gratified by learning of the activities of the European Soroptimists, to whom she reported on Soroptimist work in this country.

It was announced that a speaker from the Mt. Diablo Therapy Center will address next Tuesday's luncheon meeting of the Lafayette-Orinda Soroptimists at El Nido at 12:10 p.m.

The group will hold a Valentine party February 9 at the Alma Mendell's dance studio, 3420 Mt. Diablo Boulevard, Lafayette. Festivities will start with a chicken dinner at 8 p.m.

Local Pair Re-elected 'Boys' Town' Directors

John P. O'Shea, of 1182 Upper Happy Valley Road, Lafayette, and Robert P. Raskob, 48 Charles Hill Road, Orinda, have been re-elected Contra Costa representatives to the Hanna Boys' Center.

The board of directors of Hanna Center, the California "boys' town" near Sonoma, comprises 45 business and professional men from northern and central California.

FROM ABROAD, three American Field Service exchange students at Acalanes High School will be guests at next Tuesday night's meeting of the Stanley School Parents Club. They will relate some of their impressions of this area. Discussing plans for the program are, left to right, Elin Rasmussen of Denmark, Mrs. Earl Creager, Lafayette representative of the American Field Service; Mrs. George Jensen, Stanley School Parents Club program chairman; Fritz Borst of Germany and Maria Zorbanou of Greece. —Sun photo by Mattson

HS Students To Get Another Chance to Teach

Apprentice teachers from Acalanes High School will have a chance to continue their training this spring under the teacher intern program at Springhill School.

The aspiring young teachers met recently with Mrs. Eleanor Diel, principal of Springhill, to evaluate their recently concluded three-week program.

The group also made plans for the coming sessions, which will take place approximately one hour per week between March 11 and March 29.

ESSENTIALLY, the spring sessions will follow the pattern laid down by the earlier program — that is, to give high school students an introduction and working acquaintance with actual classroom teaching.

The evaluation meeting, however, brought out some suggestions by the student interns which could alter the spring program, according to Mrs. Diel.

Through "good, sound thinking" on the part of the students, requests were made for opportunities to participate in additional phases of teaching, and for allow for more practical experience in handling children, she reported.

INTERNS and their faculty supervisors agreed that a conference following each instruction session wild be helpful in planning the next class.

The spring program was called for, stated Mrs. Diel, because the previous sessions "were received so well by all."

She continued, "It's serving its purpose very well in that it's giving the students a real taste of experience in the teaching field."

THE SPRING sessions will include the same intern teachers as the recent program, but the interns will switch from upper to lower division classes or vice-versa.

Participating in the program are Acalanes seniors who have the approval and recommendation of the advisor, the counselor and the high school and elementary school principals.

HOW TO GET WARM

Have you been cold lately? Well, if so, excited freshmen claim all you need to do to get warm is to come to Firelight Lodge tonight from 9 p.m. until midnight.

The annual Frosh Frolic is being held at this time in order to enable students to also attend the basketball game tonight.

Doors will be open throughout the entire dance just this once so that both activities may be equally attended. Everyone is urged to come to both, but if you can't do that come to at least one.

Jackie La France, decorations chairman, promises that the gym will be turned into a real cozy place where everyone can have a great time!

Tuesday marked one of the finest assemblies this year. Sid Le Protti usppliied the entertainment as he has done many time in the past for our student body dances. He gave a great program which portrayed the history of Jazz as he has known it.

JAZZ PROGRESS

He told student of the great entertainers he has known and some of his experiences while playing the piano. He also played some very good numbers on the piano, both old and new, showing the difference in the way music is played today and yesterday.

The Iowa tests were finished up this week, all except for makeups. The makeups were started on Wednesday for all students who were absent from previous tests.

The quarter ends soon, bringing with it the end of the semester. This means a lot of things for everyone, for finals are coming up too.

It also means that right after grades come out many seniors will be sending in applications for college next year.

EARLY GRADS

The end of this quarter also signifies the end of their high school days for three Acalanes Dons. Gorden Napolitano, Holly Zacher and Ed Mjolsnes will leave because they have earned enough credits to graduate mid-semester.

The Cleanup Campaign is being launched again in full force. We are trying to get a clean campus which will pass an inspection committee for a full week. This is not all we will get, though.

For if we succeed in keeping our campus clean we will also get out of school 15 minutes early on Friday.

Everyone stop and think before you throw that piece of paper or orange peel on the ground — you may be the one who keeps us from having a completely clean campus.

Radio to Link Alumni During St. Mary's Day

St. Marys' College Alumni Association will celebrate its traditional Universal St. Mary's Night on Wednesday, February 6.

This year marks the Silver Jubilee of this function, which began 25 years ago. Then, as today, a radio program linked together the several St. Mary's groups scattered throughout California.

Today, however, 30 Alumni units from Honolulu to New York City celebrate the same day, listen to the same radio program, and the California groups are addressed by representatives of St. Mary's College.

John Nesbitt, star of TV and radio and a member of the class of '33, will be featured on this year's transcribed radio program, which will be broadcast over KCBS at 8:05 p.m. February 6.

Joining Nesbitt on the program will be John L. Mullany of San Mateo, national president of the Alumni Association, and Brother S. Albert, F.S.C., president of St. Mary's College.

Banquets in the local area will be held at the Hotel Fairmont, San Francisco; Green Hills Country Club, San Mateo; Lake Merritt Hotel, Oakland; Castlewood Country Club, Pleasanton, and the Casa Adobe in Concord.

Owner to Speak At Conventions

Jack Schneider, co-owner of Orchard Nursery, will soon head for the East where he will address two conventions.

They are the Ohio State Nurserymen's Association Convention, to be held January 255, and the Michigan Association of Nurserymen, scheduled for January 30, 31 and February 1.

Schneider's subject will be "More Merchandising for Retail Stores," a topic that aroused much interest when he addressed the National Association of Nurserymen's convention in Los Angeles last summer.

Organist to Give Sunday Concert At St. Stephens

A musical program featuring a range of works from traditional to contemporary will be offered by Maurice John Forshaw, organist, in his concert at St. Stephen's Episcopal Church, Orinda, at 8 p.m. Sunday.

The principal work of the evening will be the Sonata IV of Mendelssohn, which is seldom done in its entirety. Also heard will be a number of baroque chorale preludes particularly suited to the modified baroque organ at St. Stephen's.

Forshaw is a member of the faculty at Mills College and studied in Paris with the celebrated French organist, Jean Langlais. He will include a work, "Ossertoire (Suite Medievale)" by his famous teacher, in his program.

In addition to the Mendelssohn and Langlais pieces, the program will include "Ite Missa Est — Alleluia" by Albrechtsberger, "Christ Lay in the Bonds of Death" by Scheidt, and three works by Bach, "Now Thank We All Our God (Leipzig)," "From God I Will Not Turn (Leipzig," and "Jesus Christ, Our Savior," an organ mass.

The contemporary group will include the Langlais work and "Domine Deus, Rex Celestis" by Couperin, and "Postlude Pour l'Office de Complies" by Alain.

The concert, which is the fourth in a series sponsored by the St. Stephen's Choir Association, will be preceded by a choral evensong service at 7:30 p.m. A coffee hour in the undercroft will follow the concert.

HS Parents to Get Audio-Visual Demonstration

A demonstration by the audio-visual department at Acalanes High School will be the highlight of a meeting of the Acalanes Parents Club Monday at 8 p.m. in the boys' gym.

According to Mrs. George Eberhart, the demonstration will be under the direction of Miss Betsy Rambroke, director of the department.

Frank Dees will conduct a short business meeting preceding the demonstration.

Following the program, the meeting will adjourn to the school cafeteria for refreshments.

Mrs. Joe Donham, chairman for the evening, will have on her committee Mesdames Harry Waldorf, George Driscoll, E. H. Buttler, Ruth Dilio, Wilson Hancock, Earl Hill and Byrne Thrailkill.

Church Groups Install Officers

Newly elected officers of the Altar Guild and Woman's Auxiliary of St. Stephen's Episcopal Church, Orinda, were installed by the Rev. Albert Lucas, vicar, at the 11 o'clock service Sunday.

They were presented for installation by the retiring presidents, Mrs. W. R. Arends of the Altar Guild and Mrs. A. D. Henry of the Auxiliary.

Serving for the Altar Guild for the coming year will be Mrs. Ben L. Johnson, president; Mrs. Earl S. Hill, vice-president; Mrs. Walter White, secretary; and Mrs. Carl L. Hoebner, treasurer.

The Woman's Auxiliary will be piloted by Mrs. M. G. Horgan, president; Mrs. Stuart Henderson, vice-president; Mrs. Russell Gilwee, recording secretary; Mrs. A. C. Hollister, corresponding secretary; and Mrs. Harold Hollister, treasurer.

WELCOME RAIN

Who has heard a more wonderful sound than the pounding of rain on the roof and the splashing of cars through the water on the roads after praying for rain for a couple of months.

Have you seen the happy smiles on the ranchers' faces when they see the green on the hills and know the shortage of pasture is a passing thing?

Can't say I was too happy it had to pick this past weekend to rain, however, as those were the two days I had planned to spend in Carmel on a short vacation away from the job and family.

However, these events have a way of working two ways. Although the crowds were huge in Carmel and Monterey for the Bing Crosby Golf Tournament, because of the rain enough cancelled lodging reservations for us to get excellent accommodations.

Golfers all over the place, talking a language I can't quite understand, but hope to learn some day. Still, I had a great time and returned home Sunday night feeling refreshed and ready to tackle normal, everyday living. Nothing like a few days away!

BACK TO NORMAL

It seems as though everyone has settled down to a quiet life once more after the holidays, for there isn't too much news to report. Up around Rheem Shopping Center two changes have been made, however.

At the Char-Broiler, it is no longer Bill and Ralph, for Bill has bought Ralph's half of the business and is now on his own. Ralph comes in now and then, but tells me he is still a gentleman of leisure, for he hasn't decided just what he wants to do.

Center Hardware has changed hands. The new owner is Bob McGuire, from out of the area, who took over as of January 2. Jim Cuete, who has been managing the store for Clark's, will be back in the main store.

Brownie Troop 23 reports the new officers for the next six weeks to be President Kathleen Lynch, Secretary Jackie Carr, and Treasurer Lorraine Ellison.

Due to the lack of transportation, Brownie meetings will be held at the home of Leader Mrs. Louise Lynch on Larch Road.

COURTING DIMES

The regular meeting of the Community Club, which was scheduled for next Friday, will be cancelled due to the March of Dimes basketball game which is being held the same night.

Jack Winther, president of the Community Club, urges all members to support the March of Dimes and attend the game. Not only would you be contributing to a good cause, but you will also get an evening of good entertainment.

Fire Chief Al Baitx, who is chairman of Moraga-Canyon area for the March of Dimes drive, announces the Basketball Extravaganza will be held at Miramonte High School, 8 p.m. Admission is 50 cents donation for adults, children free. So bring the family and enjoy the evening.

On the floor, playing a game most of them havent' played for years, giving their "all" for the cause, will be residents of Moraga Valley: representatives from Lincoln Estates area, Ranchitos area, Rheem Valley area, Canyon and Moraga areas.

MOMS, MAKE WAY!

According to Mrs. Jeanna Lucas of Orinda, who, with her husband Dan is over-all chairman of the Orinda, Canyon and Moraga area for the March of Dimes, Al is doing a fine job in arranging the game. Everyone who saw the game last year, wouldn't miss it this year.

This area is the only one in Contra Costa County to have a Father's March in place of the Mothers.

To quote Mrs. Lucas, "If every person under the age of 40 would start receiving the Salk Vaccine now, polio would be wiped out within the year."

But, friends, please don't forget the ones for whom the vaccine came too late, and who still need help. Attend your Community Game!

Attending the Postmaster's Dinner in Antioch on Wednesday night were Mrs. Elinor Dickenson of Moraga Post Office, Mrs. Bernice Willams of Rheems Post Office, Brother Anslem of St. Mary's Post Office, and Mrs. Helen Kamen and I, both of Moraga Post Office.

LUCKY MUD

Some good coming out of the muddy grounds was that it was the saving factor in the near tragedy Tuesday night on Canyon Road.

Tom Mayes, of 741 Solana Drive, Lafayette, was attempting to pass Clarence Cookston of Pleasant Hill when they hooked bumpers. Mayes' pickup truck was spun around and off the road into the mud and over the bank.

Unhurt, he was taken home by Cookston, then returned with his neighbor, A. G. Brown, of 747 Solana Drive, when his pickup was pulled out by John Sanders' jeep.

Don Frosh Will Frolic Tonight

The annual Acalanes Frosh Frolic at which Don freshmen play host to their fellow students will be held at "Firelight Lodge," the decorated school gym, tonight.

Students in charge of the affair include Jackie La France, Bonnie Johanson, Julie Busch, June Peckenham, Paul Colin and Kathy Desch.

Talk to 400 At Miramonte

Miramonte High School students were entertained January 10 by three Acalanes students who are attending the Lafayette high school from Greece, Denmark and Germany under the American Field Service program.

For 45 minutes 400 freshmen and sophomores listened closely to both serious and humorous comparisons drawn between schools here and those of the respective European countries.

The foreign students felt that students of the United States had much more freedom in American schools, whereas students of European schools have little or no freedom of course arrangement, student affairs or social activities.

Orinda Parents To Learn About Johnny's Reading

"The How and Why of Johnny's Reading" will be explored by Orinda parents this month and next in informal discussions at each of the five elementary schools.

The series of meetings was announced this week by the Parents Curriculum Committee of Orinda, in response to numerous inquiries about the school reading program.

Next Thursday evening at 8 o'clock parents of Sleepy Hollow School children will start off the series in their own school library.

Mrs. D. D. Scarff, a member of the Parents Curriculum Committee, will moderate the discussion, and the reading and phonics program of the school will be explained by Philip Lambert, curriculum coordinator, and Miss Cynthia Knox, Sleepy Hollow principal.

Mrs. Georgia Cooper, speech consultant for the Orinda schools, will also be present to answer questions.

In announcing the meetings Mrs. Frank Newman, chairman of the Parents Curriculum Committee, said, "We hope these informal discussions will be just what Orinda parents have been asking for. We are holding them at each school separately so the groups will be small enough for everyone to express his opinions freely and to get direct answers to his questions."

Doyle to Speak Tonight at Club

Assemblyman Donald Doyle will address a group sponsored by the Orinda Young Republicans tonight at 8 p.m. at the Orinda Community Church on Irwin Way.

It will be Doyle's first address locally since the convening of the 1957 California Legislature. He will discuss with the group the problems facing our State representative this coming year.

Anyone interested is invited to attend.

New Officers to Be Elected by Demo Women

New officers of the Democratic Women of Orinda will be elected at the organization's first meeting of the year next Thursday at 8 p.m. at the home of Mrs. Shirley Weber, 6 Lavina Court.

Mesdames Dorothy Barden, Eleanor Hubner and Lo Glascock, members of the nominating committee, will present the slate of candidates for election. But other nominations will be accepted from the floor, according to Mrs. Glascock.

The outgoing officers are:

Mrs. Grace Hanks, president; Mrs. Marge Roth, vice-president; Mrs. Glascock, secretary; Mrs. Kay Petersen, secretary; and Mrs. Ellen Kroff, treasurer.

Supervisors 'Discussion' Becomes Secret Meeting!

Are we heading back to the days of the Star Chamber and secret meetings in government?

Let's hope not, but if the recent action of the County Board of Supervisors is any indication, things are headed that way.

News stories in Contra Costa area papers have pointed out that the board of supervisors met in a "special session" January 10 to discuss several subjects, which had been announced in the open public meeting January 8.

Among the subjects was discussion of mileage for new Supervisor Joe Silva's "heavy" car, and whether or not to continue paying Sheriff Harry Brown mileage for delivering civil papers.

We are not concerned with the subject of the meeting, except in one sense . . . and that is the application of The Brown Act.

The Brown Act states, generally, that all meetings of public boards and bodies will be open to the public except for the discussion concerning hiring and firing of personnel, or charges against personnel brought up by spcific witnesses.

Otherwise, ALL meetings shall be open to the public.

We would like to point out that the meeting which was held by the board of supervisors January 10 was not proper, and such conduct hasn't been the procedure of recent boards of supervisors.

To put it bluntly, it was a flagrant violation of the law.

But not only was it ilelgal, it was morally wrong.

It is important to remember that a "meeting" is any gathering of the members of the board, whether it be in the regular announced sessions, or a meeting for a glass of orange juice in the morning.

Furthermore, according to law, public notice must be given of all meetings in advance.

Any discussion should, and must, be public on the part of our governmental bodies. In the past the County and the County Planning Commission have asked for "study meetings," informal affairs where they could privately work out some of the problems confronting the group.

They were taken to court and such meetings were outlawed . . . an informal discussion meeting must be open to the public.

We need not point out the necessity for keeping ALL meetings of our official boards open to the public.

We can only point out to the present board of supervisors that their action of January 10 was not in keeping with this concept, and we strongly urge that such action not be repeated.

The public has a right to hear all delibartions which concern their boards, within the limitations of The Brown Act.

GO AHEAD! PASS IT! NOBODY'S WATCHING

But note this: nearly 42,000 men, women and children will die in traffic accidents this year, if the present rate continues!

Help Prevent Traffic Deaths

FIRST—Drive safely and courteously. Observe speed limits and warning-signs. Where traffic laws are obeyed, deaths go DOWN!

SECOND—Insist on strict enforcement of all traffic laws. Where traffic laws are strictly enforced, deaths go DOWN!

WHERE TRAFFIC LAWS ARE OBEYED — DEATHS GO DOWN!

LIBRARY PROBLEMS

Dear Editor:

I do not think that the proposed new library for Lafayette should in any way be tied up with the Community Center. It seems to be a dim idea in the dimmer future.

I also think that the library building should stay fairly close to the shopping center. It would be a shorter trip for me to have it on St. Mary's Road, but much too long a trip for most of the residents.

A public library is a necessity in a growing community and should be supported by all. A fund raising campaign is too uncertain. There are even more of those than there are special districts.

The present library board is going about the job with intelegence and foresight. They know the problems and it should be left to them to make the plans.

HUNGARIAN RELIEF

Dear Editor:

The Hungarian situation has shaken us all. I often wonder at the great love of freedom that has brought men to fight with faith and die. We all hear of it, yet we have never experienced the complete horror and hearbreak of having our country crushed . . . the spark of freedom smothered. These are a people who know of it.

Hungarian refugees pour into surrounding countries each day. In order to survive, they need the kind of aid that we can give them. There are many ways to help. We can controbute through Care, the Red Cross and the Hungarian Relief Plan.

There is another way of helping that is important because it is something we can all do right now. Five student clubs of Acalanes High School are sponsoring a drive for clothes this Saturday. Many areas in Lafayette will be covered by students in a house-to-house canvass. Those who are not contacted on Saturday are urged to bring usable clothing to Lafayette Grammar School on Sunday between 3 and 5 p.m.

As one who has only recently returned from seeing the havoc wrought upon men, women and little children by the ruthless hand of communism, I urge that we share what is needed, clothes. It is so little to give . . . for warmth and life.

FLOOD CONTROL
DEAR EDITOR:

Before our local officials and the various proponents of a third Flood Bond election get too carried away with their cause, they should pause long enough to read, "The Biggest Con Game in Politics," by Alfred E. Driscoll, former governor of New Jersey, which articles appear in both the December and January issues of The Readers Digest.

Since an almost compelling argument for our passing these bonds has been to qualify for the ever matching funds these articles discuss, this strikes to the very heart of our problem. It should be a reading must for everyone interested in this plan of financing.

UNTIL NOW I DID not question the need for flood control, nor the financing method proposed, although I must admit that if someone had any plan to actually control the floods—$10 million worth, that is—it was a secret to me and many others. Now however the question of using Federal funds is thoroughly challenged in these articles, the theme of which is that such aid has become a source of staggering extravagance, undermining the integrity and freedom of action of our local governments—and it isn't the Federal government's money that's being used, it's ours!

There is even legitimate reason to study first whether the money we alone can raise without the addition of Federal funds couldn't accomplish more—much more—than with them added. At least this has been the experience of others.

PRESIDENT Eisenhower also warns of this easy and quick method out. So before I could take another favorable look at the present proposal for the flood control financing, I would want to know a lot more about what obligations and bureaucratic control we must surrender to the Federal bureaucracy; and I would want some rather strong assurance that this would provide the means for ending our flood financing problems, and not mark the beginning of new ones.

Let's Needle Our Two Legislators a Little

By HERMAN SILVERMAN

In my opinion, our two state legislators are able, influential and respected men in their respective houses of the legislature and in their political parties. I was pleased when I read that State Senator George Miller Jr. was one of the three senators appointed to the powerful Senate Rules Committee. He was formerly state chairman of the Democrat Central Committee.

Assemblyman Don Doyle has risen rapidly. He is chairman of the important Assembly Education Committee and vice-chairman of the State Republican Central Committee. Both are considered among the most influential of California's legislators.

Now that I have said nice things about these nice men I am going to needle each one of them a bit.

George helped do it

Contra Costa County gets about 40 per cent of the total water supply of East Bay Municipal Utility District and we'll need more and more water in the future. Yet, Senator Miller was a party to a senate action which could very well hurt our chances for additional water.

EBMUD (in theory that is all of us) has almost won a long, hard-fought battle for an additional 125,000,000 gallons of water a day to provide for future needs. But last Friday two interior valley senators "jammed through the Senate Rules Committee, without advance notice, a resolution asking the State Department of Water Resources not to approve additional water for EBMUD until the Legislature has acted on the entire state water plan."

Previously the State Water Board recommended to the State Water Department that EBMUD should have the additional water. Fortunately, the Legislature adjourned for the weekend, preventing floor action without opportunity for interested persons to be heard.

What did he do?

Where does George fit into the picture? He was one of the three members of the Rules Committee—and should have objected violently to the action. To quote the words of Alameda Senator Arthur H. Breed Jr.:

"I am astounded that Senator Miller of Contra Costa County — which gets 40 per cent of the EBMUD supply — went along with the blitz in his capacity as a member of the Rules Committee."

Breed promised a vigorous fight against the resolution. Now — I haven't heard Miller's side of the story but as soon as we do, we will print it. And I hope that our senator will get in and fight against the impossible Southern Crossing — which is downright stupid and certainly not to the benefit of our county. Contra Costa's two assemblymen fought it — but not Senator Miller.

Now, let's needle Assemblyman Doyle for a few paragraphs.

Don's headache — textbooks

Don is young and has made mistakes. One of these mistakes has caused him tremendous embarrassment, to say the least — being duped by Tom Mechling on the textbook investigation. Don even had a chance to fire him before the publicity broke but he didn't act fast enough.

My criticism is that Don should not go off the deep end in 1) attacking the state system of printing texts or 2) supporting the book publishers. For example, the Attorney General's office has started action against the six book publishers, for conspiracy to boycott California by refusing to make their book plates available to the state.

Is there conspiracy?

I think Don was analyzing a legal problem without sufficient background. As I understand it, the attorney general is not basing the case on the fact that the textbook firms refuse to lease their plates — but that the six firms have "conspired" to do this. There is no question that they collectively hired public relations people to fight their battle.

I earnestly hope that Doyle can be as objective about the textbook issue as is humanly possible. If he isn't, then his leadership on this important question will be worthless.

Don has apparently decided to take on the State Department of Education. I do not criticize this because the Department gets mighty high-handed at times. Besides, it is always healthy to get a governmental unit under a spotlight. But he has a rough battle ahead.

Now — I'll put the needle away for awhile.

Circle your calendars

Last week I mentioned the upcoming Baseball Clinics, co-sponsored by The Sun and Sports and Games. There will be two — Sunday, January 27 for Lafayette and Orinda boys at Acalanes High; Sunday, February 10 for Pleasant Hill, Walnut Creek and Alamo boys at Las Lomas High.

I argued against having the clinics primarily for high school and eighth grade youths, but the reasons were explained. There is too great a difference in ages to have them all at the same clinic. The big leaguers and coaches approach the youngsters differently than older boys. Specific clinics for younger boys will be held later.

But don't forget — boys of all ages are invited to come out to these clinics and watch and listen and learn. My boys told me they want to go.

Remember, too, the Fathers'-Children's Basketball night sponsored by The Sun Friday night, February 1 at St. Mary's College. It is going to be real fun. A suggestion to Cub and Scout and Y groups: Make up a party for the boys and come along.

(See stories on these events in the front section of the paper.)

What They Say . . .

Preserving Our Rural Air

Old timers in this area sometimes take long looks at the busy local business areas and rapidly expanding housing subdivisions and shake their heads.

What has happened, they are prone to ask, to the green rolling hills, the fertile farmlands and the wide pastures? Where is the country atmosphere for which so many residents moved to this area?

These things, they rather regrettedly admit, seem to be disappearing from this suburban scene. The rapidly growing population has taken its inevitable toll.

Can any action be taken to preserve at least some of the countryside color, despite the inexorable influx of new residents? That's what your Roving Reporter asked some local folks this week. They answered:

W. C. LITTLE JR., 4th Street, Lafayette: "I've lived here about 20 years and have seen the rural atmosphere disappearing. The same thing seems to be happening everywhere. I don't see how you can prevent it."

MRS. DONALD S. KIDD, 30 Owl Hill Road, Orinda: "It would be nice if we could keep this a country area, but I'm dubious that we can. I think, however, that the various neighborhood swimming associations could help by taking over large lots. Another measure would be to keep the size of our lots at least one-half acre."

MRS. FRANK E. BACH, 3344 Beechwood Drive, Lafayette: "The area is growing, but I think it will be some time before it grows to the point where we have to establish parks and take other action to preserve the athosphere. Of course, it will be a very difficult problem when the time comes."

MRS. ROBERT A. JAMES, 10 Washington Lane, Orinda: "I think we can keep the area ruralized if people really want it that wey. Minimum lot sizes will help, and if people join their community clubs and don't become lackadaisacal this can r e m a i n a fine suburban area."

MRS. EARLY TREDLY, 2354 Bella Vista, Walnut Creek: "I think that our planning and zoning laws should be enforced and this would help a great deal."

AMBROSE K. FARLEY, 54 Donna Drive, Pleasant Hill: "I don't think the country aspect of this area will last long at the present rate. We are almost a city. I can't see how it can be preserved at all."

MRS. VERNA HALSTEN, 34 Ridge Road, Walnut Creek: "There is still plenty of room throughout this area for hundreds of thousands without making it crowded and we'll always have trees, no matter how many people move in."

Don't Quote Me, but . . .

The Kids Tell Us What They Really Think of Us

By DOROTHY PATTERSON

SOMEONE ONCE SAID, "It's all the young can do for the old, to shock them and keep them up to date," end even though these words are ages old their truth definitely remains constant.

Recently our PTA sponsored a panel discussion called "What Children Think About Adults," and the panel moderator was Dr. Patrick Sullivan, a Ph.D. in clinical psychology, soft-spoken, gentle, understanding, dark and tall.

The panel consisted of three fifth graders and three sixth graders, and it was a discussion I would not have missed for the world.

Now, regarding allowances . . .

They discussed various subjects, such as allowances, and the children were in agreement that allowances should be earned! (Yea, verily.)

One little tike mentioned with regard to spending money: "Children should be allowed to spend freely, and through experience they will eventually learn to spend wisely."

Another: "Have fun (with money) when you are old you will have children and have to spend it all on them."

Three members of the panel did not agree about doing "chores." One maintained that chores should be done before TV, another said after, and the third maintained that "when a child is watching TV a parent should never interrupt him to do chores. That is frustrating." (Hmmmm.)

Rules are all right, if . . .

They were all agreed that there should indeed be rules established in the home, but they should not be too strict.

Their jobs should be respectable and they were all agreed that children should do a little work — "But not too much work, because when you are older that is all you do, work. Weekends and everything. Then when Monday comes around again, it's just like the bitter end." (And who can deny that?)

One little panel member showed a strong feeling toward the importance of family unity, family excursions and projects and the adoption of the Golden Rule in the home.

"Children should do their chores and then when they are finished they should help their parents" (I liked that!) "because, after all, our parents are getting old." (Gulp!)

Spanking and punishment

Their viewpoints on spanking were enlightening: "From 1 to 8, children should be spanked! After 8 it doesn't hurt anymore. Taking away a privilege hurts plenty." (Not in the same spot, though.)

Baldwin is Secretary Of 2 Groups

Sixth District Congressman John Baldwin has been elected secretary of two groups in the United States 85th Congress, he reported this week.

They are California Republican Delegation of 17 members and the Republican Representatives of the 11 Western States, totaling 31 members.

Baldwin said that the counting of electoral votes in the November 6 election resulted as follows: Dwight Eisenhower, 457 votes; Adlai Stevenson, 73; Judge Walter Jones of Alabama, 1 vote.

The elector who voted for Jones had been pledged to Stevenson, but he "bolted," Baldwin said.

Home Builders Ask Richardson To Address Meet

The National Association of Home Builders has selceted Kenneth Richardson, Bay Area real estate consultant and land developer, to present his home merchandising plans at the annual convention to be held in Chicago Sunday through Thursday.

Richardson's talk will be entitled, "Producing Salesmen in 1957." He was selected because of the outstanding success which his sales programs have had. An annual sales volume of $50 million has been reached in his offices covering the s e v e n Bay Area Counties.

Several hundred of California's largest builders and land developers will be among the 6000 registrants in Chicago. Headquarters will be in the Conrad Hilton and Sherman Hotels.

Will Attend SF Meeting

Fourteen area dentists will attend the 61st annual meeting of the University of California Dental Alumni to be held Sunday and Monday in San Francisco.

They are Norman Betsque, Robert Dickcon, Benjamin Dykes, Alan Lippincott, George Mallory, Dwight Potter, Donald Priewe, David Purrington, George Redmond, Jack Rideout Smithers, Frank Earl Thomas, Claude Warden, Peter Picard and George Thomas.

One of the speakers, Dr. Bernard Jankelson of Seattle, will tell about problems related to the way people "bite." He will show X-ray motion pictures.

Marilyn Morehouse Airs Betrothal to Tom Morrish

Sorority sisters of Marilyn Jeanne Morehouse of Lafayette passed traditional candy at the Tri Delt house at the University of California recently as they learned of Marilyn's betrothal to Thomas MacNaughton Morrish of Orinda.

Marilyn, the daughter of Mr. and Mrs. James E. Morehouse, 954 Reliez Station Road, also revealed the couple's plans for a June wedding.

At the same time, Tom's Alpha Delta Phi fraternity brothers at U.C. heard the news. The announcement at the fraternity house came from the prospective bridegroom's brother, William.

Tom, the son of Mr. and Mrs. Kendric B. Morrish, 35 Rheem Boulevard, Orinda, is now president of Alpha Delt. Bill served the group in that capacity in 1953. Both Marilyn and her fiance are graduates of Acalanes High School. The future bride is a member of Thistle Branch of the Children's Hospital of the East Bay and is secretary of her sorority.

Tom, a senior at Cal, expects to receive his Army commission upon graduating in June. He is chairman of the Cal Club, a member of Golden Bear, Winged Helmet and the San Francisco Bachelors.

Marilyn and Tom's engagement had been announced to both their families at family parties prior to the campus announcements.

ENGAGEMENT of Marilyn Jeanne Morehouse of Lafayette and Thomas MacNaughon Morris of Orinda has been announced. They plan to be married in June. Marilyn is the daughter of Mr. and Mrs. James E. Morehouse of 954 Reliez Station Road, Lafayette. Tom is the son of Mr. and Mrs. Kendric B. Morrish of 35 Rheem Boulevard, Orinda. —Hal Matson photo

DIANA KERCHEVAL and George Lorin Coad, both graduates of Acalanse High School, class of '55, are betrothed. Both are sophomores at the University of California. They plan to be married in June.

Acalanes Grads Tell Engagement

The betrothal of Diana Kercheval and George Lorin Coad, 1955 graduates of Acalanes High School, was announced recently when candy was passed at the Chi Omega sorority house at the University of California where Diana is a member.

Diana attended University of Colorado, where she was a pre-nursing major, before transferring to Cal.

The future groom is also a sophomore on the U.C. campus, where he is studying aeronautical engineering, and is a member of Alpha Tau Omega fraternity.

Diana is the daughter of Mrs. Elvan R. Babylon, of 175 Camino Don Miguel, Orinda. Her father is James E. Kercehval Jr, of Arcadia.

George is the son of Mrs. Virgila Coad of Lafayette and Mr. Rowland F. Coad of Walnut Creek.

George and Diana plan to be married in June after final examinations at the university.

Junior Women Will Parade Spring Fashion

"Pink Paradise" is the theme of the fashion show the Junior Womans Club of Walnut Creek will hold February 20.

The Salem Room of the Claremont Hotel will be the setting for the luncheon-fashion show at 1:30 p.m.

Early spring fashions will be shown by club models under the direction of Mrs. Howard Parsons.

General chairmen are Mesdames Edwin Robinson, Thomas Graves and Baxter Kimbrough. The Petticoat Lane shop of Irene Thies, Walnut Creek, will provide newest of spring fashions. Commentator will be Margaret Crawford and music will be by Mrs. A. A. Nickel.

Others on committee are Mesdames Lee Johnstone, tickets; Richard Willoughby and Floyd Burror, favors; Roger Black, door prizes; Harry Hemstalk, special events.

Bridge Party Of Alpha Xi To Aid Kids

Diablo Valley Alumnae of Alpha Xi Delta are planning their first fund raising event of the year.

A dessert-bridge party, to benefit the sorority's philanthropy, is scheduled for January 28 at "Quail Valley," the Orinda estate of Mrs. John Dorr.

In line with the sorority's national philanthropic efforts for underprivileged children the local group works with the boys of a school in Ukiah.

Reservations for the party may be obtained by calling Mrs. Robert Gammon, AT 3-3624.

Mrs. Glenn Vivrette of Birdhaven Court, Lafayette, is general chairman of the event. She announces that many prizes will be given at the party.

Her committee comprises:

Mrs. Jay Forni and Mrs. Susan Burkhard, ways and means; Mrs. John Dorr and Mrs. Joseph Smith Jr., prizes; Mrs. Pat Sterbenz and Mrs. Robert Fregazi, table prizes; Mrs. William J. Bolce Jr., publicity.

Paintings Donated for March of Dimes Drive

Members of the Diablo Art Association have donated paintings, now on display at the Contra Costa Stationers, Walnut Creek, to the March of Dimes.

Sealed bids will be accepted for the pictures and opened at the end of the month. Proceeds will go for the anti-polio campaign.

Chairman of the association program is Hiram Meulendyke. Committee members are Katy Madsen, Fay Stimac, Mary Rasmussen, Vivian Cook and Margarite Requa.

POSTERS ARE being made by Martha Johnson.

The paintings last year brought $100 for the March of Dimes. The amount will be doubled this year, members hope.

Other paintings being exhibited in the area include the following: Betty Pleshe, Alamo Medical Center; Evadne Wenker, Village Theater, Danville; Avaline Butler, Peninsular Art Association, Walnut Creek; Doris Whipple, Pillsbury Stationers; Edith Dinkin, Contemporary Arts Theatre, Berkeley.

The Louis Gutierrez Preview, given jointly by the Diablo Art Association and the Valley Art Center last Friday evening was pronounced a big success by members.

More than 500 guests were greeted by S. G. Culver, president of the Valley Art Association; Mary Kwiat, Connie Helm and Evadne Wenker of both Art Groups assisted in the receiving line.

AMONG THE guests were Mr. and Mrs. Mel Nielsen of Lafayette, Mayor David of Pittsburg, Mrs. Anna Berlanga of the Mexican Cosulate in San Francisco, Manual Olviera, president of the Pittsburg Lions Club and head of Mexican Affairs in Antioch, and Mrs. Olviera.

Bay Area Latin-American groups were well represented, including the C.S.O. of Oakland; prominent among this group were Mr. and Mrs. Bert Corona of Oakland. Many also attended from the Mexican Honorary Commission of Pittsburg.

Refreshments were served by Mrs. D. S. Harris. Assisting her were Barbara Roemer and Mrs. E. Hanlin. The affair was held at the Valley Art Center and the ballroom of Alma Mentaall of the Lafayette Dance Studio.

Suburban Jrs. Will Continue Koffee Klatches

Until January 30 the Lafayette Suburban Junior Women's Club will have Koffee Klatches in various members' homes.

Mrs. Mildred Grothman, social chairman, has made arrangements with a few members to act as hostess.

Those having the meetings in their homes are Beverly Stringer, Barbara Stevens, Jean White, Cecelia Neff, Margaret Schell, Betty Zion, Hilma Heaton, Joan Purvis and Alice Lind.

Co-hostesses for the Koffee Klatches will be Frances Zurilgen, Bonnie Webb, Bettigene Smith, Carol Butler, Luella Witherwax, Beth Case, Betty Conti, Beverly Helrick and Marge Andreason.

Sigma Alums to Honor Husbands

Husbands of Sigma Kappa Alumnae members will be honored guests of the Sorority group's first 1957 meeting next Friday.

The event will feature dinner and cocktails at the home of Mrs. Scott Beamer on Seaview Avenue, Piedmont.

Mrs. Robert Maynard of Orinda is general chairman, assisted by Mesdames Ted Palmer, Allen Seibert, Robert Casten, Harry Bickerton, E. M. Blank and R. Miller.

Dancing and bridge will follow a buffet supper. Reservations for members may be made by calling Mrs. Maynard at CL 4-4826.

Members of the alumnae group assisted as hostesses for the Mount Diablo Therapy Center's recent Open House.

Sigma Kappa alumnae groups have sponsored the Center's Sheltered Workshop and contributed funds for equipment since it was founded in 1952.

Miss Elda Eggert of Concord is chairman for this local Sigma Kappa project. She was assisted at the Workshop's Open House by Mesdames:

Ralph Miller, Robert Costa, E. H. Padden, Allan Seibert, Ralph Funk, H. G. Noack, William Judson, R. H. Webster and Miss Margaret Wilson.

Beta Nu Initiates 2

Two new members were initiated into the Beta Nu Chapter of Delta Kappa Gamma, national honor society for women in education, at a tea held in the H. M. Stanley School in Lafayette last Sunday.

The new members were Mrs. Jean Bruzzone, teacher in the Fair Oaks School in the Mt. Diablo Unified School District, and Miss Priscilla Ruggles, teacher in the Martinez elementary schools.

Miss Nadine Lanier of Antioch was chairman of the initiation ceremony.

Miss Betty Johnson and Miss Allice McMaster presided at the tea table, which was beautifully decorated with lilies and white candles in silver candleabras.

Hostesses assisting at the tea table were Mrs. Alice Putnam, Mrs. Irene Spencer, Mrs. Ruth Martin, Mrs. Grayliss Vossler, Mrs. Victoria Hardie, Miss Jane Patorio and Mrs. Rose Lepka, chairman.

Chapter President, Mrs. Hetty Johnson, announced the regional conference which will be held in Oakland in February.

Secretaries Organizing New Chapter

Plans for a National Secretaries Association chapter to be organized in Contra Costa County were made recently at the home of Mrs. Avonna Simpson, 4041 Via de Flores, Martinez.

Prospective members of the chapter and the new chapters committee of the Lake Merritt Chapter, headed by Mrs. Finette Grundman, were present.

The association is a non-profit, non-union, non-political, non-sectarian organization—the world's largest association for business women in one profession, with chapters in major cities in the United States.

Its objective is to elevate the standards of secretarial performance by uniting, for their mutual benefit, women who are engaged in the secretarial profession.

A definite educational program is designed to meet the needs of the employed secretary. Membership in the association is open to secretaries, actively employed in a secretarial capacity at the time of affiliation, with a minimum of two years' experience.

Information on the new chapter may be obtained from Mrs. Grundman, 2924 Claremont Avenue, Berkeley, or Mrs. Simpson at Martinez 2350.

Co-op Art Group Sets Busy Year

Making plans for the 1957 year are new officers and Board members of the Cooperative Art Association.

Mrs. A. R. Holland has been reelected president for a second term. Other officers are Mrs. Robert Odell, vice president; Mrs. Kenneth Bone, corresponding secretary; Mrs. Charles David, recording secretary; Mrs. Fred Dodge and Mrs. Lee Umphred, treasurer; and Mrs. Fred Von Guenthner, member-at-large. Out-going board members met with the newly appointed Board recently at the home of Mrs. Fletcher Taylor to exchange general information and schedules on the seven after-school art classes sponsored by the group.

Art classes for interested fourth, fifth and sixth grade children are now meeting every Wednesday in Lafayette and Walnut Creek Schools.

The Director of Classes and teachers are assisted by members of the Art Association in each class.

Acting as Class Coordinators and assistants are: Mesdames J. R. Johnston, David Rose, R. E. Vincent, John Leigh, R. D. Buffington, Laura Taw, L. P. Pennington, Clinton Wing, E. C. Floyd, DeWitt Krueger, Ernest Douglas, Richard Benofsky, P. W. Hovey, John Bauer, Edmund Schneider, Bernice Bell and H. H. McElroy.

Tau Omicrons Discuss Culture

Friendship and personal charm were the major topic of discussion at the recent meeting of the Lafayette Tau Omicron Chapter of Beta Sigma Phi at the Lafayette home of Mrs. Robert Sayles.

With Mrs. Chris Kallimani as co-hostess, the program was presented by Mrs. Martin Rockey, speaking on "Giving and Receiving Friendship," and by Mrs. P. M. Foster Jr., who led a group discussion on "Your Poise and Charm."

Also attending the meeting were Mesdames Thomas E. Beaudet, Orton Bergren, John W. Page, Raymond Ferrari, Richard Gemmel and Joseph Carter.

Rev. Carl Thomas will speak at the group's next meeting Tuesday at the home of Mrs. Robert Callan, 3613 Brook Street, Lafayette. Mr. Thomas will speak on "Love's Miracle in Marriage."

Membership Chairman Mrs. Robert Callan may be contacted at AT 3-6984.

Tanagers Issue Cocktail Bids

Invitations to join them for cocktails were extended this week to 350 friends by members of the Tanager Unit of the Mt. Diablo Therapy Center.

The event, scheduled to take place on Saturday, February 9, will have as hostesses Mesdames Robert Bettencourt, John Den-Dulk, Alexander Morris, James Seaman and Frank Walker, according to President Mrs. Stanley Majka.

Mrs. Cecil Cantrill, chairman for the pre-Valentine affair, is being assisted by Mesdames Harold Caldwell, hostesses; James Marvin, invitations; Dwight Skaggs, refreshments; and Harold Staff, who will present the "Money Tree."

All proceeds from the occasion will benefit the Mt. Diablo Therapy Center.

Red Cross Schedules 3 Courses

Three courses are being scheduled by the Mt. Diablo Chapter of the American Red Cross for residents of the Walnut Creek area.

Mother and Baby Care classes will begin Tuesday. Mrs. C. Ronald Smith, Nursing Services chairman, said they will be held Tuesday and Wednesday evenings, 7:30 to 9:30, for three weeks.

Interested persons are invited to enroll for the course.

Husband-and-wife teams are especially encouraged, she said.

Application for an instructors course in Home Nursing are being takeln by the local chapter at Walnut Creek office, 1395 Ygnacio Avenue.

To be eligible for this class, applicants must be registered nurses or qualified teachers in other fields.

The course, sponsored by the San Joaquin Valley Chapter, Stockton, will begin February 4, continuing for five days.

Transportation will be furnished.

Home Nursing classes, open to all residents, will be scheduled for the days and hours most frequently requested, Mrs. Smith said.

Information regarding any of the classes may be obtained from the Mt. Diablo Chapter home, YE 5-5817. All classes are offered free of charge.

Junior Women Plan Fashion Luncheon

Finance Chairman Mrs. Edwin Robinson of the Walnut Creek Junior Women's Club announced that plans are under way for a fashion luncheon to be held at the Claremont Hotel on February 20.

The theme is "Pink Paradise." Fashions will be by Irene Thies; the commentator will be Margaret Crawford.

Tickets may be obtained by calling YE 4-5054 or YE 5-5455.

There will be two speakers at the Social Meeting on Tuesday.

Miss Jeanne Kenmore will address the Juniors on "Integrated Braille Classes in the Public Schools" and Mrs. O. E. Boslar will inform the group on the progress being made toward "a new Library for Walnut Creek."

Valentine is Theme of Church Women's Show

A fashion show and luncheon, "Suddenly It's Spring," will again be given by the Immaculata Guild of St. Mary's Church, Walnut Creek on February 14 at the Diablo Country Club.

This year the proceeds will go toward the School Fund for Saint Mary's Parish.

The Spring theme in fashions will have a Valentine's Day background displayed through posters and luncheon programs, designed by Mrs. Charles Diers. Decorations will be created by Mrs. Frank Cook and committee, and special floral arrangements by Mrs. Julian Ramelli.

These committees have their plans well into the formative stage. The Guild members are taking an active part in making this annual event a success.

Pianist to Play In SF Concert

San Francisco concert audiences next week will meet the brilliant piano virtuoso Pietro Scarpini.

He appears with Enrique Jorda and the San Francisco Symphony on Thursday evening, Friday afternoon and Saturday evening (Jan. 24-25-26) in Weber's showpiece Concertstuck in F minor and the dazzling Capriccio of Stravinsky.

Haydn's Symphony No. 85 (La Reine) and Ravel's Rhapsodie Espagnole constitute the orchestral part of the program.

Kappa Alums To Present Spring Wear

With the ribbons and wrappings from Christmas consigned to the incinerator, and ornaments from trees packed away for next year, housewives are beginning to think of what to wear for spring.

The East Bay Alumnae Association of Kappa Kappa Gamma Sorority will give the answer with a gala Fashion Show luncheon. "June-in-January" is the theme of the event, which will be staged January 31 at 12:30 in the Castlewood Country Club near Pleasanton.

Six members of the small fry set and 12 members of the Alumnae ranks and girls from the active chapter in Berkeley will tread the runway in smart attire for the coming season. Proceeds from the affair will be donated to local and national philanthropies.

Stores contributing garments to be worn by the models are Hill'n Dale of Lafayette, Lad 'n Lassie of Lafayette and Alfred Nipkow of Walnut Creek.

Reservations may be made, singly or in groups up to 12, with any member of the association, or by contacting Mrs. George Lemke, ticket chairman, HI 4-2456.

All reservations must be made by next Thursday.

Mrs. Donald Hucke of Piedmont, general chairman, will be assisted by Mesdames:

George Parnham of Orinda, programs; J. J. Pfister, invitations; Norman Gay, models; Robert B. Brodrick of Orinda, special prize; Wayne Meyer, Walnut Creek, door prizes; Norwood B. Allen, table decorations; Charles F. Robie, announcer; F. H. Watson Jr., publicity; and Roger Olson, commentator.

Grown-up models will include Mesdames: B. S. Ginsburg of Orinda; David D. Brunson of Orinda; D. H. McCorkle of Orinda; Robert Rowe of Walnut Creek; and the Misses Noreen Lewis, Ann Ehmann and Molly Mock from the Berkeley Kappa ranks.

Wesley Folsom Takes Bride In Ohio Rites

Married last month in Canton, O., the home town of his bride, was Wesley L. Folsom, son of Mr. and Mrs. Leon T. Folsom of Sun Valley Drive, Walnut Creek.

The "girl in his life" is the former Janet Jerles. They are both students at Carnegie Institute of Technology, and they returned there after a honeymoon in the Poncono Mountains of Pennsylvania.

The groom's parents and grandfather, Mark Folsom of Merced, were present for the ceremony held in the Christ Community Methodist Church, Canton.

Michael Pascarella of Pittsburgh was Wesley's best man. Ushers were Winston Warren of Erie, Pa., Fred Moog of Chicago, Ill., and Stephen Frangos of Uniontown, Pa. All are Kappa Sigma fraternity brothers.

The groom is taking graduate industrial administration courses. He is a mechanical engineer.

'Parade of Pastels' to Present Spring Fashions

"Parade of Pastels" is the theme of the Poplar Branch, Children's Hospital of the East Bay, fashion show and luncheon scheduled for Wednesday, January 30, at the Orinda Country Club.

"There will be more than a hint of spring in the air, as members and guests gather for the 12:30 p.m. event," says Mrs. Charles Coburn of Orinda, committee chairman planning the show.

"Advance spring styles along with cruise designs, from the Irene Sargent Salon (dress salon in Oakland), together with exciting new spring footwear from Peter Bros. Shoe Salon (Oakland shoe store), promise a delightful afternoon of fashion viewing," she adds.

Adding another touch of spring will be many bouquets of assorted flowers, with Mrs. Rollin Moore in charge of the decorating committee.

Others assisting with arrangements include Mrs. O. J. Bowman, fashion co-ordinator; Mrs. Robert Moorehead, models; Mrs. Emil Peterson, programs; Mrs. Harvey H. Bechtel, favors and prizes; Mrs. Stanley C. Smith, publicity; and Mrs. Robert J. Pedder, tickets and reservations.

Taking their turns as models will be Mesdames Robert Goodale, William McGuire, Carl Meurk and Miss Midge Hayes, all of Lafayette; Mrs. Louis O. Simenson and Mrs. Ira Flinn, both of Berkeley; Mesdames John McFarland, Ernest Kahl, William L. Keating and Calvin Hagstrom, all of Orinda, and Mrs. Roland Gibbs of Oakland.

Reservations for the hospital benefit may be made through Mrs. Pedder or through any member of Poplar Branch.

Crown Circle Names New Chairmen

Mrs. W. B. Marschner was hostess for the Wednesday meeting of Crown Circle of King's Daughters at her home, 1749 Newell Avenue, Walnut Creek.

Mrs. Fred Fox of Orinda assisted with the hostess duties.

Chairmen appointed by Mrs. Leonard Clevenger, Circle president, to work with her this year are Mesdames Fred Fox of Orinda, historian; Kenneth Smetts of Lafayette, project; Edwin Scheuren of Walnut Creek, publicity; C. W. Kersten of Orinda, Silver Cross; H. J. Hart of Orinda, sunshine.

Mrs. Clevenger will serve as hostess for the open house at the Girls' Residence, 363 Belmont Street, Oakland, on Sunday.

This residence is maintained by the Northern California Branch of King's Daughters. All interested persons are invited to attend the Open House.

'Aladdin Ball' to Benefit Schools

The Orinda Mothers Club's only fund raising function of the year for the benefit of the Orinda schools will be a dance held at the Diablo Country Club on Saturday, March 9, from 9 p.m. until 1 a.m.

Proceeds from this benefit, "The Aladdin Ball," will go to the Orinda School libraries as it has in the past two years.

In previous years funds have been used for tape recorders, movie projectors and other needs of the various schools.

General chairman of the event is Mrs. Harold Caldwell.

Alpha Alums Visit School

On Monday the Diablo Valley Alumnae of Alpha Gamma Delta and guests, met at the recently completed Shadelands School for Cerebral Palsied Children.

As this is the national philanthropic project for the sorority, the alumnae have inquired what can be done to aid the school.

Ralph Lopez, vice principal and Harold Hill, assistant superintendent of the Mt. Diablo Unified School District, both spoke to the group on the background of the school.

MRS. AGNES Elsving, kindergarten teacher and speech therapist, told of the problems in teaching the children to talk.

Mrs. Kathleen Ek, primary teacher, told about her class of seven boys, 6 to 10 years old. Some who can't learn to write are being taught to use the electrict typewriter.

Along with the therapy, they receive approximately 2/3 of the regular school curriculum.

Mrs. Jean de Bore, occupational therapist, said there wasn't enough time to give each child all the help he needed.

THE SCHOOL cost a quarter mililon dollars to build, is a public school with no cost to the child and is financed by State funds, various school districts, the Cerebral Palsy fund, and private donations.

The school's goal is to teach the child so he can eventually be integrated into the regular public school, the alumnae group was told.

Plans are now being formed for the sorority's international reunion day, to be held April 27 at the new Italian Village in San Francisco.

Members will come from the Peninsula, Marin County, San Francisco, the East Bay and Contra Costa County.

Auxiliary Has Special Tea

The beautiful Alamo estate of Mrs. E. D. Cannon was the scene yesterday of a special get-together tea honoring the 219 volunteer workers of the Juvenile Hall Auxiliary, according to Mrs. F. P. Lonergan, Auxiliary President.

The tea which began at 2 was an opportunity for the many volunteers from Lafayette, Pleasant Hill, Walnut Creek, Orinda and throughout the County to meet each other and to learn more about the many units who work throughout the year to aid the Juvenile Hall children, staff and foster children referred to the Auxiliary for aid by the County Probation Department.

Honored guests pouring were Mrs. Jeff Claunch and Mrs. Chester Hook of the Contra Costa County Probation Committee, Mrs. Carl Eugene Johnson, Danville and Mrs. Cannon.

Tea chairman was Mrs. Richard Snyder, vice president of the Walnut Creek area and assisting her on decorations was Mrs. Donald Willhalm of Danville.

Head of the Welcoming Committee was Mrs. Ted McIntyre of Alamo, and tea hostesses were Mesdames Lonergan, Nicolson, Snyder, vice president of Antioch area; June Richardson, treasurer, of Concord; and Henry Rae, vice president of the Concord area.

500 Fete Young Artist at Valley Art Center Show

Artists, students and diplomats mingled at the Valley Art Center, 3420 Mt. Diablo Boulevard, Lafayette, last Friday evening to honor Pittsburg's promising young artist, Louis Gutierrez.

Gutierrez, 23, a member of the Diablo Art Association, is a former student at East Contra Costa Junior College and graduate of San Jose State College.

The occasion, a joint endeavor of the Valley Art Center and the Diablo Art Association, was to preview Gutierrez' works. The show included paintings in oil and water color, black and white drawings, etchings and a college.

S. G. Culver, president of the Valley Art Center, received nearly 500 guests during the evening. He was assisted by Mrs. Floyd Helm, Mrs. Stanley Kwiat, director of the Artists' Market, and Mrs. Evadne Wenker, Market manager.

Mrs. D. S. Harris, assisted by Mrs. Boyd Handelin and Mrs. Irving Roemer, served refreshments to the guests.

Among the guests congratuating Guiterrez were Senorita Anna Maria Berlanga, Mexican co-consul in San Francisco; Assemblyman and Mrs. Donald Doyle of Lafayette; Supervisor and Mrs. Mel Nielsen, also of Lafayette; Pittsburg's Mayor Davi; Mrs. Ruth Gifford, Chamber of Commerce secretary in Pittsburg.

Manuel Olvera, president of the Antioch Lions' Club, and Mrs. Olvera; Mr. and Mrs. Alphonso J. Guzman, president of the Community Service Organization in Oakland and more than 20 members of his club; and Mr. and Mrs. Bert Corona of Orinda. The Mexican Honorary Society of Pittsburg was represented by Joe Miranda and others.

Several of the Gutierrez works were purchased at the preview showing and one of the etchings in the show is soon to hang in the Mexican Consulate in San Francisco.

The remaining works of Guitierrez will be available for purchase at a farewell benefit party to be held at the Alamo Medical and Dental Center February 2 from 7 until 10 p.m.

Proceeds from this gathering along with funds raised from a recent rummage sale and the "Send Louis to School Club" will hlep complete the $600 quota necessary to finance Gutierrez for his 12-month study in Mexico.

Great Music Comes to Las Lomas, January 27

Spirited and stirring music by the San Francisco Symphony Orchestra will launch the second season of the Central Contra Costa Youth Concerts.

The familiar "tuning-up" will begin in only nine days. The date is January 27, a Sunday afternoon at Las Lomas High School.

Tickets are still available. The concerts are beamed at the young people of this area, and season tickets are priced accordingly. But it is hoped that large numbers of their elders will attend.

FOR TICKETS CALL Mrs. Charles Offen, YE 4-6654. Concord subscribers may call Mrs. Warren Kaeding at MU 5-3132.

Downtown shoppers can drop into any music store and pick them up.

Their cost is roughly equivalent to that of one symphony concert in San Francisco.

The season tickets will bring within easy driving distance not only the San Francisco Symphony, but in succeeding months, the University of California Glee Club and Treble Clef Society, the famed Ballet Celeste and the Berkeley Young People's Symphony.

THE PROGRAM on January 29 will begin at 2:30 p.m.

Here is how the program reads:

"The Curtain Rises . . . die Meistersinger overture by Wagner.

"Meet your Orchestra . . . Bassoon Concerto by Mozart.

"Let's Make Music . . . Moonlight . . . DeBussy.

"**MEET THE Artist** . . . Pictures at an Exhibition by Mussorgsky, including Gnomus, The Old Castle, Bydlo and Ballet of the Chicks in their Shells. Mr. Antonio Sotomayor will be illustrator.

"And Away We Go! . . . Bolero . . . by Ravel."

Earl Murray will be conductor-commentator for the great organization.

He is music director for the San Francisco Ballet and head of the orchestral department at San Francisco State College.

The San Francisco Chronicle has said he does his work at the podium with "Invariable brilliance."

He has been a guest conductor with the New York City Ballet, both in Los Angeles and San Francisco, conducted the radio world premier of the opera, "Dr. Jekyll and Mr. Hyde" and has traveled to many large cities to perform as conductor.

Earle Pierce Takes Mart Leadership

Earle Pierce has been appointed breakfast chairman during January, February and March for the Contra Costa Real Estate Board.

He succeeds Charlie Bailey in the work-house job.

Members who attended the California Real Estate Association convention were Nick Carter, board president; Harlan Geldermann, Buck Johnson, Ray McCoy, Al Ingalls, Jerry Friedrich, M. H. Binker, Bill Anderson, Vera Foss, Bill Hayward and Ken Richardson.

IT WAS ANNOUNCED that a class in "Effective Speech" is underway at the Mt. Diablo High School Adult Center in Concord. Sherwood Knight is instructor.

In the Newsletter this week was the following statement for the enlightenment of the realtors:

"The most important single thing in retaining valuable client relationship in our business is confidence.

"Confidence is not usually lightly or quickly given, nor can it be blithely accepted and then forgotten.

"It is something that has to be earned and once earned it must be cherished and preserved.

"**IT IS NOT** something you earn by one act or even a series of acts. It is earned by doing business in a straightforward, efficient and friendly manner.

"It comes from always putting all of your cards on the table. It comes from making good on your promises—not just your big ones, but perhaps more important, your little ones, too.

"It is worth all the advertising your budget will stand. It is, I think, the keystone of any successful real estate business.

"Acquire public confidence and you will be successful; lose it and your failure is as certain as death."

So spoke Board Executive-Manager Wayne Bailey last week.

Police Courses Begin Next Month

Training courses for police reserves and employees of law enforcement, regulator and protective agencies, will begin at East Contra Costa Junior College in the part-time students' program the week of February 4.

The East Contra Costa County Police Training Advisory Committee has been making arrangements.

A beginning course, Police Training 150, will be given Tuesday nights from 7 to 9:40, starting February 5.

STUDENTS WILL receive 18 hours of instruction in defense tactics, 15 hours in the Penal Code and related laws, and 18 hours in classroom and notetaking, public relations, beat patrol and observation.

Police Training 152 will be given Thursday nights starting February 7.

The 51 hour course will include instruction in traffic accident investigation, rules of evidence, mechanics of arrest, report writing, court appearance and conduct, juvenile procedures, defense tactics and other matters.

THE INTERMEDIATE course, Police Training 151, now drawing to a close in the current session, has an enrollment of 32 men.

Dow Executive To Head Tax Group Committee

President Bruce S. Howard of the Contra Costa County Taxpayers' Association announced today that he had appointed Robert Lundeen of Concord as the first chairman of the Health and Welfare Committee.

Lundeen is manager of planning of the Dow Chemical Company in Pittsburg and formerly served with the Taxpayers' Association as chairman of the Mt. Diablo Taxpayers' Committee. He has long been active in civic organizations in the Concord area.

Also appointed to the committee were Jack Towne, manager of the American Trust Company, Martinez; Mrs. Lynd Higgins, housewife, Concord; Kenneth Richardson, realtor, Diablo; Frank Bray Jr., attorney, Martinez, and Sam Hall, attorney, Martienz.

A physician unnamed as yet is to be added to the membership of the committee, President Howard noted.

He stated that the committee would probably spend the first several months of its operation in becoming acquainted with the governmental officials and departments with which it was to deal.

Taylor Now Board Head

Ray S. Taylor, senior member of the Contra Costa County Board of Supervisors was named chairman of the board last week in Martinez.

From the Third Supervisorial District, Taylor has been a member of the board for the past 14 years. Ivan Goyak of the First District was named vice chairman of the board.

GOYAK UNOFFICIALLY agreed to a rotating type of chairmanship with himself as chairman in 1958 and Warren "Bud" Buchanan of the Fourth Supervisorial District as chairman in 1959.

Sworn in January 7 by County Clerk Walter Paasch were Mel Nielsen of Lafayette, newly elected member from the Second Supervisorial District and Joe Silva of Brentwood, representing the Fifth District.

Named to replace Silva as judge of the Brentwood Judicial District was W. Blair Rixon.

Dog Bite Leads To $8,685 Suit

Charging that an attack by a dog contributed to his defeat as a candidate for supervisor, Lafayette Attorney Harold E. Mutnick is asking $8,685 from the dog's owners.

In a suit filed last Friday in Superior Court, Mutnick asserts he was bitten while calling on the home of Mr. and Mrs. Clarence P. Engelsman, 21 Los Dedos Road, Orinda, during his political campaign last May 22.

Naming Engelsman and his wife, Jane M., as defendents, the attorney charges the dog bit his right leg and ankle and tore his suit. The resulting disabilities, he told The Sun, "seriously hampered my campaign."

In the primary election June 5, Mutnick finished sixth in a field of seven candidates running for the office.

Mutnick says he suffered severe and permanent injuries, "consisting among other things, of lacerations and scars to his right leg."

He asks $3,500 general damages and $5,000 "for interference with and hinderance of his political candidacy."

In addition, the plaintiff is asking for $185 for the loss of his suit for 37 days while the trousers were being rewoven.

The suit says that because of the incident Mutnick was unable to call on as many voters as he otherwise would have.

"The nature of my campaign was such that it depended almost entirely upon calling on local homes," he stated.

The Engelsman's dog "was vicious and had bitten other people," Mutnick claimed. He added that after the incident, Engelsman brought him into the home and administered first aid.

Baldwin Names Donald Lockey To West Point

Congressman John F. Baldwin announced yesterday that he has appointed Donald Vincent Lockey, 855 Sibert Court, Lafayette, as one of his four principal appointees to the U. S. Military Academy at West Point.

Baldwin stated that William E. Blythe, 3723 Highland Road, Lafayette, has been appointed as Second Alternate; and Douglas William Curyea, 1488 Entrada Verde, Walnut Creek, as Third Alternate.

These appointments were made upon the basis of examinations given by the Civil Service Commission in the California Sixth District, which Baldwin represents.

They are subject to these appointees taking a final entrance examination for the Academy, which is scheduled to be given on March 13. Entrance to the Academy will be on July 1.

The congressman also announced that he has appointed the following local young men to take a state-wide examination for the class to enter the U. S. Air Force Academy at Colorado Springs on July 8:

Gene Vincent, 862 Acampo Drive, Lafayette; Francis J. Kenefick, 2354 Marcia Drive, Pleasant Hill; and Charles T. Brandt, 1241 El Curtola Blvd., Walnut Creek.

This examination will be taken by ten appointees from each of the thirty California Congressional Districts, making a total of 300.

The top 15 applicants will be appointed to enter the third class at the academy.

Baldwin stated that these appointments were made upon the basis of U. S. Civil Service Commission examinations which were given in the Sixth California District at Vallejo to all applicants who had expressed an interest in these academies.

DIABLO VALLEY GIRL SCOUT COUNCIL will install new officers Wednesday. Among those to be installed are, left to right: Seated — Mrs. David H. Tormey, Pleasant Hill district chairman and Mrs. J. Orr Kyle, reelected president of the council; standing — Mrs. Victor Peery, Lafayette district chairman, and Mrs. Ernest Fernsten, Orinda district chairman.

Tickets on Sale for Big Scout Show, February 9

Tickets for the 1957 Scouting Exposition went on sale January 10 throughout Meridian District, according to Glenn Gleason, camping and activities committee chairman.

Cub Scouts, Boy Scouts and Explorers of the 101 Units in the areas of Orinda, Lafayette, Walnut Creek, Danville-Alamo and Pleasant Hill are selling the tickets for a big "double feature" show to be held February 9 at both Acalanes and Las Lomas High Schools. It will commemorate the 47th birthday anniversary of the Boy Scouts of America.

David Lercari, assistant district commissioner, is handling the distribution of tickets through the neighborhood commissioners of the district, Gleason stated.

Each Cubmaster, Scoutmaster, and Explorer Advisor will secure his supply of tickets from his own commsioner staff member.

The theme of the observance will be "Onward for God and My Country," the title of the Four-Year Program which seeks to give every boy an opportunity to develop physical fitness, self-reliance, a sense of personal responsibility, a spirit of helping people, a willingness to share, an understanding of the government's democratic processes, and a firm spiritual foundation.

Scouts invite participation of the general public. They will display their skills and handicraft through demonstrations by groups in booths from 1:30 to 8:30 p.m. on February 9.

One ticket admits to both shows, one in Lafayette, the other in Walnut Creek.

Similar observances will be taking place throughout Mt. Diablo Council and throughout the nation. Four and a half million boys and adult leaders will take part this year as current members of the movement in the United States.

A great national Jamboree will be held at Valley Forge in July, with 50,000 boys participating. Eighty will go from Mt. Diablo Council.

Sidney Keil to Lead Enrollment Drive for Scouts

Sidney H. Keil of 2070 Strand Road, Walnut Creek, will serve as chairman of the annual membership enrollment campaign of the Mt. Diablo Council, Boy Scouts of America.

A graduate of the University of Washington, he has served 16 years with the United States Navy and is a reserve officer with the rank of commander. At present he is a staff officer for a 1000-man Surface Brigade on Treasure Island.

He served nine years as an administrative capacity with Safeway Stores Inc., is a member of the Nationai Safety Council and a director of the East Bay American Red Cross.

He is a past president of the Faith Lutheran Church of Pleasant Hill, a member of the American Institute of Management and the American Marketing Association, and manager of the Domestic Trade Department of the San Francisco Chamber of Commerce.

Keil and his wife Nancy have two sons, Jeffrey and Timothy.

The Sustaining Membership Enrollment Campaign begins February 1. He urges every individual challenge to do all we can to help to give support to the program. "It is our responsibility and our build a better America," Keil said.

BALLET CELESTE of San Francisco will replace Stan Wilson in a four concert series this season at Las Lomas High School. Season tickets are still available and may be obtained from members of the Contra Costa Youth Concert Association. Ticket chairman is Mrs. O. L. Offen. Her telephone number is YE 4-6654.

Ballet Celeste Will Replace Stan Wilson

The board of directors of the Contra Costa Youth Concerts announced this week that the Ballet Celeste of San Francisco will replace singer San Wilson in the series of four concerts this season.

Started eight years ago with 10 dancers selected by Alexandra Danileva, the company of dancers from the ages of 7 to 17 holds annual auditions before boards of specially qualified judges.

These judges have included such famous dancers as Tamara Teumaneva, Edward Gaton, Lucia Chase, Iger Youskevitch, and Jese Grece. Winners of free scholarships receive training in classic ballet from the director of the Celeste Ballet, Merriem Lanova, a former soloist with the Ballet Russe.

A SPECIAL acedemic school was started two years ago for the members of Ballet Celeste. Here all grades from the first through the twelfth receive their standard education from 9 a.m. to 1 p.m. daily.

This leaves the children free every afternoon to rehearse some of the twenty ballets in their repertoire. These include "Swan Lake, Act 11," "Six Princesses from Swan Lake," "Snowflakes" from "The Nutcracker," "Land of Sweets" from "The Nutcracker," "les Sylphides," "First Ball," "The Glass Harmonica," "Light and Shadow," "Goldilocks and the Three Bears," and three of Pavlova's famous solos "The Poppy," "The Dragonfly," and "The Dying Swan."

Ballet Celeste is partially subsidized by the Memorial Ballet Scholarship Foundation. It's members donate money they would ordinarily have spent on memorials for relatives who have passed on.

They prefer not to have the usual "patron" treatment, but to remain anonymous.

THE COMPANY appeared last summer in Chicago and Evanston, Ill. before the "Children's Theatre Conference."

Representatives from all the United States and Canada saw the latter performance, and more than 60 cities have invited the Ballet Celeste to perform.

The company is dancing in Los Angeles January 26 and 27 for the Los Angeles Junior Programs, and plans are now being made for a trip to the east coast this summer with appearances at dance and music festivals across the country.

The San Francisco Symphony Orchestra will open the concert season January 27 at 2:30 p.m. in the Las Lomas High School auditorium.

The program to be presented will be announced in the schools and in the newspapers before the concert.

THE CALIFORNIA Glee Club and Treble Clef Society will be presented in February and in March the Ballet Celeste. The Berkeley Youth Symphony will close this year's youth series in April.

All the concerts will be the last Sunday in the month at Las Lomas High School.

Season tickets are still available through the board members, President Mrs. James Perry, YE 5-5635, Vice-President Mrs. C.F. B. Price Jr., YE 4-6669, Ticket Chairman Mrs. O. L. Offen, YE 4-6654, Secretary Mrs. E. C. Floyd, YE 4-6190, publicity, Mrs. D. W. Carlson, MU 2-2106, Mrs. Paul Jacobus, Gordon Gibson, Frederick Freeman, Mario Ganie and Mrs. Jack Dana.

Tickets for Scout Show Available from Boys

Tickets for the 1957 Boy Scout Week Exposition went on sale recently in Meridian District, according to Glenn Gleason, chairmen of the Camping and Activities Committee.

They may be purchased from Cub Scouts, Boy Scouts, and Explorers throughout the Orinda, Lafayette, Walnut Creek, Danville-Alamo, and Pleasant Hill areas.

"The big show will be held concurrently this year in both Acalanes High School and Las Lomas High School the afternoon and evening of Saturday, February 9," Gleason stated, "because we have so many boys in Scouting that we outgrew the facilities at Acalanes alone."

MERIDIAN DISTRICT has now a total of 101 Cub Scout Packs, Boy Scout Troops, and Explorer Units, and each one is entitled to display a sample of its finest craftsmanship in a booth at one or the other location.

Each booth will be judged, and ribbons will be awarded on the basis of "Proficient," "Standard," or "Participating." A "Proficient" ribbon will be awarded for a booth rated from 45 to 50 points; "Standard" from 35 to 44 points; and "Participating" for below 35 points. Every unit has an opportunity to earn the profisient award, and from experience of past years, the majority will do so.

DISPLAYS WILL portray a wide selection of subjects, chosen from the Merit badges available to Boy Scouts, the monthly themes used by Cub Scout Packs, and the ratings earned by Explorers. There will be live demonstrations, with boys making things or demonstrating Scouting Skills. Large organizations will appear in shifts so that every boy may have an opportunity to participate during the course of the show.

Tickets sell for 50 cents to all over eight years of age not in Scout' uniform. Half the profit goes to the Scout's own unit; the balance to help extend Scouting to more boys.

Musical-Comedy To Open Monday

A springhtly new form of entertainment comes to the stage of the Alcatraz Theater for a one-week engagement Monday evening when Paul Gregory presents "Foolin' Ourselves."

With an outstanding cast headed by Gene Nelson, the comedy-musical bears all the smartness and verve which have become the trademark of Gregory productions.

Opera to Open Tonight at Mills

A full-scale opera production of Dido and Aeneas, by the 17th Century English Court composer Henry Purcell, will be staged at Mills College tonight and Sunday night.

Heart Fund Drive Needs $50,000 from County

A goal of $50,000 has been set for Contra Costa County's 1957 Heart Fund drive to be conducted during the month of February, William S. Palmer of Walnut Creek general chairman of the 1957 Heart Fund said today.

The goal exceeds last year's collection here of $30,000, when the first house to house drive of the Contra Costa Heart Association was undertaken.

"We have every expectation of reaching and of surpassing this objective," Palmer said.

"WE BELIEVE that the public now appreciates the magnitude of the heart problem in the United States, the vast human suffering caused by the heart diseases and the loss in industrial community productivity they cause," he continued.

"I am sure that the residents of Contra Costa County will have these facts in mind and make larger contribution to combat this menace to our community health and prosperity."

The heart diseases are the nation's No. 1 public health enemy, Palmer pointed out. They cause approximately 800,000 deaths in more than half of the nation's total from all causes.

He also stated that medical scientists still have not discovered the basic causes of hardening of the arteries, high blood pressure and rheumatic fever — conditions that are responsible for 90 per cent of all heart disease.

AS A RESULT, he said, more extensive research, education and community heart programs are vital if the heart problem is to be brought under control in the forseeable future.

More than 50 per cent of the funds collected in Contra Costa County remain here for community education and community service programs and more than 20 per cent of the contributions are used for research, Palmer said.

Among the research projects now being undertaken here he reported, is a grant to Dr. John W. Gofman of the Donner Laboratory at the University of California, for research on diet as it affects atheriosclerosis (hardening of the arteries).

PLANS ARE under way for the fourth annual postgraduate course for physicians to be held February 4 through April 8 at Contra Costa County Hospital in Martinez.

A similar course last year drew 65 physicians from Alameda and Contra Costa Counties.

Purpose of the course is to bring local physicians up to date information in the field of medicine, including diagnosis and treatment of heart disease.

As a community service, the Contra Costa County Heart Association provides speakers and films to clubs and organizations and has a list of 27 books and pamphlets on heart disease which are available without charge from the Contra Costa County Heart Association office at 2363 Mt. Diablo Boulevard, Walnut Creek.

Scout Council to Install Officers

The Diablo Valley Girl Scout Council will hold its annual luncheon and installation of officers at Diablo Country Club Wednesday at 12:30 p.m.

All interested adults are invited to attend. Tickets may be obtained from district and neighborhood chairmen.

Mrs. J. Orr Kyle has been re-elected president of the board of directors for 1957, with Mrs. R. E. Nichols, vice-president; Mrs. Stanley Travis, corresponding secretary; Mrs. James Quick, recording secretary, and Mrs. Stanford White, treasurer.

According to Mrs. Kyle, the Diablo Valley Council has completed a very successful year, having served over 4300 girls, with the assistance of 1200 adult volunteers.

County Schools Growing With Population Influx

New Year's predictions can be less dramatic than the real thing, witness the record of Contra Costa County schools, say administrators.

A crystal-gazer of 1937 who had predicted that in 20 years a high school district not yet in existence would be the second largest in the county, that small districts would become large districts overnight and big districts grow bigger, would have been considered a better booster than prognosticator.

YET, LOOK at the 1957 actuality: Acalanes Union High School District, organized in 1939, enrolls nearly 3000 students at three school plants. Orinda Union School District's attendance is 32 times greater than 20 years ago.

The "Big Two," Richmond and Mt. Diablo areas, which continue to have the county's largest school population, between them added 48,000 pupils.

According to County Superintendent B. O. Wilson, the record for the county, as one seldom equalled elsewhere, was established by Orinda Union School District in its growth from a two-teacher school of 75 students in 1937 to a district of 2400 pupils in five school buildings.

The area of Richmond Union High School District increased from 6500 elementary and high school students to 34,600. In Mt. Diablo area, unified in 1949, the total enrollment of the 12 elementary districts and the high school was 2300 as compared with today's 22,179.

Wilson added that another major change since 1937 has been the development of the "T-zone" that extends from Concord to San Ramon Valley and from Walnut Creek to Orinda.

"WITH A COMBINED school population of 37,487 this area accounts for almost half of the county's total enrollment, compared to about one-fifth in 1937. Projected enrollments indicate the area may have more than half of the county's school population by 1960."

Total enrollment in all grades, by areas of high school and unified districts, is compared in 1940 and 1956-57 as follows: Richmond, 7341 and 34,634; Mt. Diablo, 2264 and 22,179; Pittsburg, 2056 and 4383; Alhambra, 2016 and 3615; Antioch-Live Oak, 1433 and 4289; Acalanes, 1371 and 12,492; Liberty, 1317 and 2727; John Swett, 1281 and 2545; San Ramon, 449 and 2816. Totals, 19,528 and 89,680.

Keeping pace with the increase of the county's school population, Contra Costa Junior College has grown from 162 freshman students who enrolled for the first classes in 1949 to nearly 2500 currently registered.

NEW NATION

The Gold Coast will take the name of Ghana, an acient West African Empire, when it becomes the first Negro nation in the British Commonwealth on March 6.

Its prime minister, Dr. Kwame, earned degrees at both Lincoln University and the University of Pennsylvania.

READY TO MARCH against polio January 31 during the Mothers' March are these volunteer workers for the annual March of Dimes. From left to right Mrs. Evelyn Carlson, Mrs. Anthony Mazur, Mrs. Bob Barnum, John Sheridan, county chairman; Miss Bonnie McMullen, and Mrs. Norma Terra.

Dimes Returns Termed 'Good'

Early returns from the 100,000 March of Dimes gift envelopes mailed recently to Contra Costa County families indicate enthusiastic support here for the January polio drive, according to John Sheridan, county March of Dimes chairman.

Sheridan said the first few days' returns averaged $2.50 per family. "If every family gave this much, the March of Dimes would go well over the top in this drive, which may be the most important March of Dimes ever held," the chairman explained.

Making an urgent appeal to county residents to return the contribution envelopes, Sheridan said, "Just during the last three years there have been 318 new cases of polio in our county. Most of these people are still receiving aid. Therapy treatments, braces and other equipment needed to restore muscles damaged by polio are costly, and if we fail to raise the funds needed many polio victims may be denied a chance to work, walk and play again."

Sheridan said of the past three years' polio cases in this county, 139 are children under 12, 63 are teen-agers, and 116 are adults, 20 years of age or over.

"These children and teen-agers need a chance to play, to dance and live healthy, happy lives," Sheridan said. "The adults, often young mothers with growing children to care for, or fathers with families to support, need your help to get back to their jobs or their homes.

"Your gift to the March of Dimes will give them this help—and at the same time advance the use of the Salk vaccine to protect you and your family against polio. Lend a hand to your friends and neighbors . . . invest in your own health and happiness. Send in your March of Dimes contribution today!"

TAIL LIGHTS

Automobile tail lights are required to be visible 500 feet, reports the California State Automobile Association. The light which illuminates your license plate must make the plate readable from a distance of 50 feet.

Nine County Transit Survey Shows Favor

A public-opinion survey, recently completed for the Nine Bay Area Rapid Transit Commission, indicates generally that over 80 per cent of those polled in Contra Costa County are overwhelmingly in favor of the proposal—even when it comes to paying the bills.

The opinion sampling was conducted by means of a printed questionnaire mailed to property owners in the nine counties involved.

A KEY QUESTION, ". . . . do you consider that your community should be willing tto pay its equitable share of the cost of building such a system?" brought a favorable response from 85.19 per cent of the Contra Costans answering the poll.

Contra Costa results included the following questions and answers by percentage:

1. Do you commute between home and work, or to shopping or business centers: Yes, 89.47; No, 10.53.

2. How do you travel on these trips? Own automobile, 92.69; driving pool, 7.69; bus, 9.62.

Students to Take Tests

Acalanes District high schools are giving Iowa Tests of Educational Development to all Las Lomas and Acalanes juniors and freshmen, and Miramonte freshmen.

Part of a district-wide plan to test each student twice during his high school career, the Iowa tests given probe student achievement in: basic social concepts, background in natural sciences, correctness in writing, ability to interpret literary material and specific reading materials, general vocabulary and use of source materials.

According to district officials the test has three purposes: to provide dependable measures of the general educational background, growth and development of individual pupils to facilitate individualized instruction; to provide better guidance in accordance with individual pupil needs; and to provide an objective basis for the over-all evaluation of the district's curriculum.

Chrisitian Science

How spiritual understanding of God as divine Life brings strength and freedom will be brought out Sunday at Christian Science services.

Christian Science churches in this area are located at 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek. The Christian Sicence Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

Scriptural selections in the Lesson-Sermon on "Life" will include the following from John (17:3): "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (487:27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality."

The Golden Text is from Proverbs (16:22): "Understanding is a wellspring of life unto him that hath it."

Facts and Figures Tell Home Seeker's Story

By BILL HAYWARD

IS THIS THE TIME to buy a home???? This is the big question most realtors must try to answer this year, this spring or even this month.

The honest reply will probably go something like this. "Even though prices may seem high and loans not easy to secure, the time to buy is NOW as most prices will go still higher." The careful, cautious buyer that expects the house he buys to have everything he wants in it, plus location and no down payment, will not be able to find much on this basis.

A few old VA Commitments are still good in some subdivisions in Contra Costa County. The buyer with $1000 down still has trouble in finding the plum he seeks because he expects too much for too little. The buyer with a down payment of between $2000 and $3000 will probably be more particular about what and where he buys but will be able to have his choice of a number of very good used homes.

If today's buyer will carefully select his realtor, his realtor in turn will assist him in buying the most satisfactory dwelling along with consideration being given to location, financing and monthly repayment schedules.

CHOOSEY LENDERS HAVE the pursestrings in hand . . . The property that you choose to buy must be, first of all, in good condition and second, be of a standard design. The lender must consider resale value just in case. You the borrower must have a credit history that will reflect good habits with reference to prompt handling of installment payments.

Even if the house is tops, qualifies readily and you too have a fine Dun & Bradstreet rating you are still faced with the possibility of paying a higher interest rate than you expected.

With interest rates on savings accounts now at a new high the same pattern must also follow on the side of the mortgage lender. Do not forget the key to all home ownership . . . HOMES ARE BOTH BUILT AND PURCHASED ON BORROWED MONEY . . . a few cash sales still take place but they are certainly in the minority today.

Do not be afraid of 6½ per cent interest. The cost to you over the previous 6 per cent and over a 10 year repayment period is only 25 cents per month per 1000 borrowed. BELIEVE IT OR NOT . . . That's what the book says . . .

MONEY IS AVAILABLE to lend on the local level . . . Your purchase being a sound value combined with a sensible, safe repayment schedule you will be able to borrow money to buy your home in 1957. Look around at some of the older homes that were built with construction costs were lower. You may uncover a bargain without half trying.

There will be plenty of new homes from which to choose . . . probably in the higher brackets . . . $15,000 and up. There are however, still a lot of good used homes on the market at $9500 and up. Your choice of house and purchase plan will, in the end, depend upon how wisely you shop. Again, your realtor can be of valuable service to you in this new Home Market.

AS YET UNSEEN ON the west coast . . . The "prefabricated home" built to the specifications and basic needs of the "WORKING MAN." That's an old term with a new income . . . I believe it goes without saying that a great number of buyers locally would welcome something like this . . .

Miramonte Win Pattern Broken by Ells

Matadors Bounce Back to Defeat De Anza, 45-37

The red-hot Miramonte High hardwooders were cooled of temporarily last Friday as their 12 game win skein was broken by Harry Ells High of Richmond, 42-35.

But the resilient Matadors began what they hope will be a fresh string of wins Tuesday by spilling De Anza of Richmond, 45-37, on their home court.

ALTHOUGH THINGS began smoothly enough for the locals, the visitors were a constant threat. The issue was in doubt all the way up to a spurt by the Matadors in the closing minutes which insured the win.

Miramonte took a 13-8 lead at the end of the first quarter, but midway in the third canto De Anza had more than taken up the slack and had raced to a 32-27 lead.

Being on the short end of the score shocked the Matadors into furious action, and in the fourth quarter they topped the invaders 18-5, and the win was theirs.

THREE MATADORS tied for the winners' scoring honors with 12 points each.

Forward Floyd Blaney had a air of field goals and eight free throws; center John Coffey posted six goals, and guard Farmer Dixon tallied four goals and four from the free throw line.

Jim and Ed Green, a pair of identical twins for De Anza, were a consistent double threat. Jim scored 11 and brother Ed accounted for 8.

In last Friday's game at Richmond, it was the sharp shooting of the Harry Ells five that broke the Miramonte streak, which was begun last year.

THE CONTEST was close until a shattering third period sprint which saw Ellis scoring 18 to the Matadors' 2.

The Richmond five trailed 17-14 at the half, but when they took a 32-19 third quarter lead it was too much to overcome. The locals outscored the home club 16-10 in the final quarter, but it was too little and too late.

Top scorer for the Matadors was guard Randy Young with 14 (6 fg—2 ft). Center Coffey contributed 12 (5 fg—2 ft) to the losing cause.

Olympic Veteran Harrison Preps for Acalanes Swim

George Harrison, Orinda's pride and joy in the swim world, has returned to school after an extended "vacation" which started last October.

George, a natural champion in his own right, qualified as a member of Uncle Sam's Olympic swimming team and earned a berth to Melbourne, Australia, for the games.

He is at present a senior at Acalanes High School and will be a member of the Don swim squad this spring.

THE DONS won the county and North Coast titles last year, and with George as the nucleus of last year's team back, figure to repeat.

George has been breaking swim records ever since his grammar school days. He came into his own when he set national records which earned him trips to national meets, as well as trips to Japan and to the Hawaiian Islands.

He flew to Los Angeles on October 21 to train for the Olympics team, which worked out in a beautiful 50-meter pool in Lynwood ,a Los Angeles suburb.

ON NOVEMBER 9 the team took a special chartered Pan American plane to Hawaii, where they worked out for two days prior to flying to Melbourne on November 11.

The team was in Melbourne for a month, including training time and the games.

GEORGE WAS a member of the U.S. relay team team, in which each participant swam 200 yards free style. As things turned out, George didn't swim after he was beaten out in the time trials by George Breen of Courtland State Teachers of New York.

As Harrison put it, he was simply flat in training and hit a plateau at the wrong time—in the trials just prior to the games.

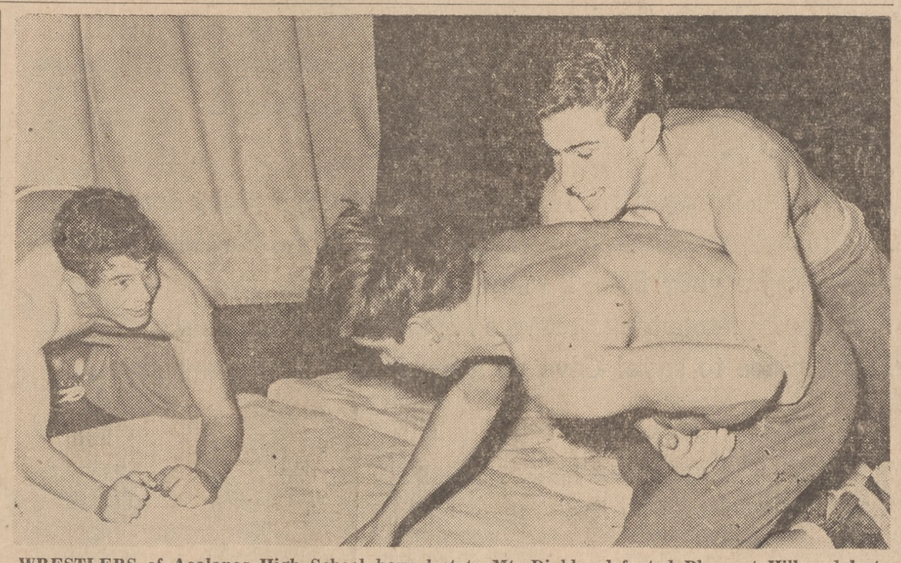
His experiences, however, were many. One of the top ones was the opening ceremonies, which he rated a top thrill.

HE FOUND the Australians wonderful hosts and their swimming facilities tops.

At present he is resting from competition, but plans to get back into the swim in the near future as the spring and summer seasons approach.

He plans to continue swimming in college. While he hasn't picked any particular school, he has several in mind — Houston College down in Texas, Michigan, Yale and Stanford.

Just 17 years old, George could well be at peak form when the next Olympics roll around and he reaches his 21st birthday.



WRESTLERS of Acalanes High School have lost to Mt. Diablo, defeated Pleasant Hill and lost to Pacifica. They're ready for another go with the Diablo Devils this afternoon. At a Don practice session, Pete Vogel (left) referees as Ed Butler (on top) and Roger Stevens (at bottom) try their skills.

Rams Pull Win Out of Fire in Overtime Thriller

Forward Dan Ipsen turned a see-saw into a victory for the Pleasant Hill Rams over Monterey by plunking a basket in the final seconds of an overtime period last Friday on the local court.

The final score, after a contest that saw the lead dribbled back and forth like the basketball itself, was 55-53.

It was all tied up at the end of the first period, 10-10, an indication of things to come. The visitors from the south, however, came to life in the second quarter to outscore the Rams, 15-6.

When the halftime buzzer sounded, the local aggregation trailed 25-16.

Ram Coach Art Poulin must have given sage advice to his charges during the intermission. The Pleasant Hillers came out like they meant it for the third stanza.

They did. They posted 21 points to Monterey's 11 and entered the final stanza with a slim 37-36 margin.

Competition grew hotter as the clock made its rounds, and when it called a halt to regular game play things were all knotted up, 47 apiece.

It was tit for tat in the overtime, and each local score was countered by the opposition's. With just 15 seconds left, the count was 53-53.

But that's when Ipsen got his hands on the ball and made good his chance to save the day.

He tallied and the Rams won the laurels.

Pleasant Hill center Mike Mayne was the game's top scorer with 17 points.

The Ram Bees proved more gracious hosts to the visitors as they dropped a 41-31 decision.

Ram League Debut Soiled By Antioch

The Pleasant Hill Rams made an inauspicious debut in league play Tuesday afternoon on their home court by dropping both ends of the double-header.

Play opened with the Bees on the hardwood. A portent of things to come was given as the local lightweights dropped a 40 - 29 count.

In the varsity game, the Panthers scored quick and often to take a lead they never relinquished. They notched a nifty 62-52 win over the willing but outgunned Rams.

Antioch was out in front 37-25 at halftime. It looked like the Rams were on the way to a comeback early in the third stanza as they closed the gap to a five point margin, but the threat was short lived.

The Panthers sprinted and pulled away.

Randy Rounsville, Antioch's top point maker, tallied 25 (7 fg — 11 ft) to lead all scorers. Guard Bob Ritchie was high for the Rams with 19 (8 fg — 7 ft).

Dons Beat Knights in 2 Openers

The Acalanes High School basketball teams copped a pair of games from Las Lomas last Friday night in what were the league openers for both schools.

The games, played at the Acalanes gym, found the Dons bagging a 45-40 varsity win, while the Acalanes Bees copped the nod 26-23.

In the varsity game the Dons took a narrow 17-15 lead after trailing 7-5 at the end of the opening period of play.

THE GAME was really decided in the third quarter, when Acalanes outscored the visitors 17-13.

The Knights pulled up in the final quarter, only to fall behind when Don Forward Bill Freeman hit three quick buckets in the closing minutes.

Freeman wound up with 14 points (5 fg—4ft.), and teammate Guard Rich Markstein bagged 10 in the first half and played a brilliant floor game, to keep the Dons up front.

Game scoring honors went to Art Dalbey of Las Lomas, who had 16 (6 fg—4ft).

THE ACALANES Bees trimmed the Las Lomas Knights in a low-scoring game, 26-23.

The Don Babes jumped ahead 6-3 in the opening quarter and maintained the lead down to the wire.

Don Lippert, Acalanes forward, bagged 10 points (4 fg—2 ft), to tie with Center Tom Nichols of Las Lomas, who also had 10 points.

Dons Split Pair Of Thrillers with Pacifica Fives

Tuesday was almost an all-victorious day for the Acalanes Dons as they traveled to Pacifica and split a pair of thrillers with the Spartans.

The Don varsity pulled victory out of the fire in the closing two minutes of their contest and registered a 50-46 win.

LADY LUCK looked the other way in the Bee contest, however. This game was even tighter than the varsity encounter, and the Don Babes were nosed out in the last few seconds of play, 33-34.

The little Dons and Spartans played it as close as paper to the wall all the way.

At the end of the first quarter it was tied up, 5 apiece. At the half Pacifica took the lead, 16-15. It was knotted again as the fourth period opened, 23 all.

BUT THAT'S when the game opened up. Both teams got hot, and by virtue of a free throw the Don Babes held a 34-33 lead with just 14 seconds remaining.

That looked like the story until Spartan forward Don Morris hit from 30 feet out over a tight zone defense with a tally that meant the game.

The Dons' consolation for the heartbreaker came in the fact that their forward Morgan Jellet took game scoring honors with 20 points (9 fg—2 ft).

IN THE VARSITY game the Dons went out to a 31-18 halftime lead. Victory seemed assured as they wound up three quarters of play in front, 45-31.

Maybe it was Don overconfidence, maybe Spartan determination, but it seemed like a different game in the fourth quarter.

Acalanes went cold at the hoop and Pacifica seemed unstoppable. The Don advantage was cut down to two points, 46-44, with two minutes nine seconds remaining on the clock.

THEN DON guard Rich Markstein was fouled and eased the tension by sinking two charity tosses.

A double foul went for nought as both players missed, but then Acalanes center John Phair hit on a jump shot from 15 feet out to give the Dons a six point lead, 50-44.

The Pacifica five fought back as forward Kent Bray hit on a side shot. But that gave the Dons possession of the ball and a 50-56 victory as the buzzer sounded.

Acalanes forward Bill Freeman topped the scoring parade with 16 points (4 fg—8 ft).

Don Grapplers Gain Experience In Team Meets

The Acalanes High grapplers had their deubt spoiled Friday afternoon as they dropped a 35-15 decision to an aggressive Mt. Diablo crew on the Devils' mat

The Dons' inexperience showed in their first meet. Mt. Diablo was able to take advantage of their opponents' greenness and copped eight matches to the Dons' three. The heavyweights grappled to a draw.

With the experience of a meet under their belts, the Don wrestlers poured on full steam Monday as they swamped the Pleasant Hill Rams, copping nine decisions in 13 goes.

Seven Dons pinned their opponents and two won by decision.

The next day the Acalanes lads traveled to Pacifica and wound up on the short end of a 29-19 total score.

In the three matches to date, three Dons have gone undefeated.

Captain Roger Stevens in the 154 pound class has won two matches by falls and one via the decision route. Eddie Butler has won an exhibtiion match and two team contests, all by falls.

Jerry McPherson has won three team matches, two by falls and one by decision.

The Don matmen seek revenge against Diablo at Concord this afternoon at 3:30 p.m. They'll tackle Pleasant Hill again Tuesday at 3:30, and will wind up the week against Pacifica at 3:30 p.m. next Friday.

Both of these matches are also on the opponents' mats.

Dons Clip Swett, 69-41; Bees Lose

The John Swett Indians came to town on January 8, ran into a red-hot Acalanes sage aggregation and got their feathers clipped, 69-41.

The Indians managed to salvage the day, however, by whipping the Don Bees, 28-23.

Coach Jean Ridley had his horses back in the stall after a siege of ineligibility. The rejuvenated Dons had their sights set and peppered the hoop from all angles.

Bill Freeman, the Dons' high scoring forward, bagged a sizzling 18 points in the first half of the play. Coupled with the sharp-shooting of his teammates, this put the local five ahead 37-16 at the half.

Ridley substituted freely throughout the game, but really used the reserves in the final half. The subs more than held their own and outscored the invaders 14-10 in the third quarter and 18-15 in the final canto.

Freeman took game scoring honors with 20 (8 fg—4 ft), while Don forward Stuart Busby bagged 11 (4 fg—3 ft), as did the Indians' forward Terry Moreno.

In the opener the Don Babes and the Papooses played a low-scoring game. Acalanes trailed 12-10 at the half, after leading in the early stages of the game, and never could catch up.

The shooting was slightly on the cool side for both squads and the story was pretty well told from the foul line. Acalanes got 3 points in 15 tries, while Swett hit 6 for 13.

High scoring honors went to Indian forward Louie Benavidez with 14 (5 fg—4 ft).

The Dons' best was guard Morgan Jellett who bagged 9 points (3fg—3ft).

Santas for 482 children were found by the Contra Costa County Juvenile Hall Auxiliary for Christmas, 1956, reports Mrs. Laurence Nicolson, Volunteer Services director.

Three hundred eighty-four children placed from the County Probation Department and 98 children spending Christmas at the Hall received "most wanted Christmas gifts" through the generosity of 228 different organizations and many individuals throughout the county.

Volunteers worked at Juvenile Hall until early Christmas morning wrapping present for the overcapacity number of children at the Hall.

Among the 228 oganizations sponsoring gifts for children were service clubs, women's clubs, youth groups, cvhurch guilds and Sunday School classes, veterans organizations, hobby clubs, school classes, charitable organizations, civic groups, social groups and a military installation. Individuals as far away as Texas and as close as Alameda County were among those interested in seeing no child's request was overlooked.

The Juvenile Hall staff was aided by local organizations who provided trees, decorating materials (greens, ornaments), an entertainment for several evenings through the holiday season. Eighty-three volunteers from various Contra Costa cities helped Christmas Project Chairman Sallie Hoff and Mrs. Nicholson purchase, wrap and mail presents.

Regular volunteer units of the Auxiliary assisted the Hall staff with the school and leisure time activities for the holiday season. Activities included dramatics, music, wreath and garland making (gardening unit), gift making (craft unit) and special grooming ,mending and transportation unit work.

Juvenile Hall children themselves "gave' 'for Christmas by dressing dolls for distribution to needy children in Richmond. Boys made posters for Santa Claus Collection Day iin Martinez. Youngters also made gifts for families and friends and spent considerable time in preparing Christmas programs for the parents.

Kinghts Ruined By Devil Spree; Local Bees Win

A win for the lightweights saved the day for Las Lomas High Tuesday as the Knight varsity dropped a 52-39 count to Mt. Diablo on the Walnut Creek hardwood.

The Little Knights were definitely on the beam as they rolled to a 49-38 win. The local Bees were ahead at halftime, 19-11.

Following their smaller mates' lead, the Knight varsity got off to a good start and heald a 12-11 advantage at the quarter mark and a 19-16 margin at the half.

But came the third stanza, and Las Lomas illusions of a double victory were shattered.

The Devils, paced by their scoring ace Dave Stafford, racked up 20 points to the Knights' 12 in that period. Diablo's advantage was streched in the final period as the Concord five tallied 16 to 8 for the Knights.

The second half spurt told the story of the Knights' defeat. Diablo outshot Las Lomas, 19 field goals to 13.

Diablo's Stafford bagged 22 points (10 fg—2 ft) to top all scorers. Forward Frank Cox was tops for the Knights with 16 (6 fg—4 ft).

PEO Tea to Fete Founders' Day

The East Bay Reciprocity Bureau of the P.E.O. Sisterhood will honor the founders of the organization at a Founders' Day Tea January 26 at 1:30 p.m. in the Twentieth Century Club, 2716 Derby Street, Berkeley.

Piano Workshop Planned by Teachers Group

On Sunday afternoon at 3 the Contra Costa Branch of the Music Teachers Association of Californiia will present pupils in a piano workshop.

This will be held at Stanley School in Lafayette. The public is invited. Mrs. John H. Coop will have charge of the program.

Tonight, the same teachers' group will present its first adult workshop at the home of Mrs. Alex Barr.

College Women To Hear Lobbyist

Coming from Sacramento next Wednesday, Francis Carr will address members of the American Association of University Women, Orinda branch, and their husbands on the prospective work of the State legislature.

Carr, whose visit has been arranged by Mrs. R. M. Bartle, legislative chairman, is head of the tax department and chief legislative advocate for Pacific Gas and Electric Company.

His talk, which will include sidelights on the role of a lobbyist, will be given at 8 p.m. in the Glorietta School auditorium.

Hostesses for the evening are Mesdames Newman Buckley, D. C. Brain, L. W. Niemi, Clarence Unnevehr and D. F. Veihmeyer.

Lady Cops Golf Laurels at Club

Mrs. A. H. Ayres came away with low score and top honors of ladies' Best Nine Golf Tournament last Friday at the Orinda Country Club.

Following closely behind Mrs. Ayres in the Class A competition was Mrs. H. R. Merriam, who copped second place laurels.

In Class B play, Mrs. George Thomas and Mrs. R. Sammis were the victors.

Lady linksters at the club today will "Throw Out the Three Worst Holes."

On Rules, Proselytes and Changes on Athletic Scene

By ERWIN MATTSON

Rule changes regarding prep football for 1957 have just been released. Most of them are minor in nature, with the most radical change giving the player the right to confer with the coach on the sideline during time-outs.

In basketball all five players on the floor can get in the confab. The new football rule means that the quarterback defensively or offensively will be doing the conferring.

CHANCES ARE, like the weatherman says, about 10 to 1 that there will be a great deal of discussion regarding the change. People in general are slow to accept change and want to cling to the old way of doing it.

Such a rule has worked out well in basketball and probably will in football. One thing certain, it will tend to cut down sideline coaching — or perhaps I should say that it will legalize it, and in so doing solve a problem.

The new change in the league set-up in the Diablo Valley Athletic League has come in for a great deal of discussion — some of it favorable, some of it unfavorable.

ONE SPORTS writer of a nearby daily has taken off on a tangent and made a personal issue of the divisions.

Like most critics, he criticized but didn't offer a more logical solution to the growing pains of the prep population.

He engaged in name calling and petty remarks that only tended to widen any differences that might exist.

The Pacific Coast Conference has really gotten itself into a mixed up situation as far as their athletic set-up is concerned. The question revolves about how much aid should be given an athlete.

THE MAIN PEOPLE hit for violations of rules so far have been players who haven't been in too much of a position to defend themselves.

Universities were fined and barred from Rose Bowl appearances.

I wonder if anyone ever discussed the possibilities of fining the college presidents or directors of athletics, whose responsibility it is to run and supervise the program.

ONE HIGH official recently stated that to give players aid was to make them professional.

If they are really concerned, why not cut the price of admission down from $2.50, $3.50 and $5 to, say, a dollar — or would that be becoming too pure?

Many of the proselyting problems would be solved automatically when big sums of money weren't involved.

The higher-ups have demonstrated that they are either too far removed from the true picture or can't bring themselves to face reality.

IT SEEMS ODD that if a student gets a scholarship for exceptional ability along lines other than athletics, it is looked upon as being all fine and well. An outstanding mathematician or musician gets help without condemnation.

An athlete who gets aid for some strange reason is looked down upon, even if he maintains a satisfactory grade level. To top it all, he is the one who draws the money at the gate.

Common sense rules could readily solve the problem. It's a bit difficult for those eating steaks and staying at the finest hotels to judge whether a player gets one or two hamburgers for his lunch.

Enough said . . . perhaps too much!

WRESTLING is on the go and January is a month of grappling activity.

Las Lomas is the latest to join the lineup, having started a class under Coach Vere Butler. Better than 40 aspirants turned out to learn the rudiments of the game, and chances are they'll be entering the competitive field before long.

Wrestling instruction has been given in physical education classes at Miramonte. It could be that the Matadors will be the next to join the ever-growing circle.

Men's Basketball Starts at School

Men's basketball, sponsored by the Walnut Creek Recreation Commission, was resumed this week at the Las Lomas High School Glym.

Free play, practice and scrimmaging games offer a good opportunity for fun and physical fitness to adult males living in the Walnut Creek area, said Bob Maxey, supervisor for men's and boys' sports for the Recreation Department.

Men's basketball is held at the Las Lomas Gym regularly on Tuesday nights from 7:30 to 9:30 p.m. No special equipment is needed and hot showers are available in the gym locker room.

Got a SPOT on your best SUIT or DRESS?
If you get a spot on your best suit or dress, do these 3 things:
1. AVOID HEAT—don't iron the suit or dress as heat sets a stain.
2. DON'T RUB—don't rub a stain with anything—it may chafe the fabric or damage the color.
3. ACT NOW—bring the suit or dress to us immediately, as some stains set permanently with age.
Take advantage of our new, exclusive TELL-A-STAIN* service that helps in getting out difficult spots and stains. Get our thrifty cash-and-carry discount, too!

PRICE AFTER PRICE AFTER PRICE PROVES

Smart shopper that you are, you know the importance of *every* price on your grocer's shelves. Weekly "specials" are wonderful—and Safeway has plenty of them—but the real key to savings on your total food bill are the hundreds and hundreds of other items you buy over a long period.

On all these items, you'll find Safeway's prices low—offering you savings *right down the line*—savings that can mean many dollars to you in a year's time. But low price is not the only reason we say "Safeway's your BEST place to save!" It is the combination of top-quality foods . . . friendly, courteous service . . . *and* low price that truly makes Safeway your BEST place to save! Give us a try. You'll be dollars ahead.
